Malcolm Glazer
Owner/President

In just his fourth year as the owner and president of the Tampa Bay Buccaneers, Malcolm I. Glazer has developed a reputation among his NFL peers as a dynamic leader who is committed to building a successful franchise.

The hard-working Glazer, who purchased the club on January 16, 1995, has carefully constructed a multi-faceted plan which calls for stable ownership, a talented coaching staff, experienced football executives, and a solid business partnership within the Tampa Bay/St. Petersburg communities. The most visible aspect of the success of this plan is the new state-of-the-art $168-million-dollar Raymond James Stadium the Bucs will christen in their 1998 home opener September 20th when they battle the Chicago Bears.

Glazer's finest hour so far as an NFL owner may have occurred last season as the Buccaneers emerged as one of the year's biggest surprises, tying the club record for wins in a season (10) and recording the franchise's first playoff victory since 1979 — a 20-10 downing of the Detroit Lions on December 28 at Houlihan's Stadium.

"We had an outstanding season," said Glazer, who oversaw an unprecedented rise in the club's season attendance both at home and on the road last season. "Winning 10 games during the regular season and then winning a playoff game for the first time since 1979 were two tremendous accomplishments. But our focus is to improve and compete for the championship. There is a lot of excitement surrounding the Buccaneers both locally and nationally. We have a talented team, we are moving into what will be the finest stadium in the NFL, and we've got an attractive national television schedule including two Monday Night games. We're looking forward to another great season."

During the 1997 offseason, Glazer continued to demonstrate his commitment to winning by extending the contracts of head coach Tony Dungy, general manager Rich McKay and Pro Bowl defensive tackle Warren Sapp, and by signing talented free agent wide receiver Bert Emanuel away from the Atlanta Falcons. Glazer also provided the necessary financial support during the season to allow McKay to extend the contracts of Pro Bowlers quarterback Trent Dilfer, linebacker Derrick Brooks, safety John Lynch, and key contributors guard Jorge Diaz, defensive tackle Brad Culpepper, wide receiver Karl Williams, and safety Charles Mincy.

"We are doing all of the necessary things a team needs to do to remain competitive and make a run for the championship," Glazer said. "We just have to remain focused, and play up to our capabilities. The rest will take care of itself."

During his inaugural season as owner of the Buccaneers, Glazer displayed a strong and dedicated commitment toward building a winning and successful franchise and was the behind-the-scenes driving force in the construction of Raymond James Stadium, located across from the Buccaneers' former home — Houlihan's Stadium.

At the conclusion of the 1996 season, Glazer spearheaded massive changes at One Buccaneer Place, home of the team's administrative offices and practice facility. The upgrades included more than 20,000 square feet of new office space, a re-vamped season ticket and club seat purchasing operation, new computers, and more than 90 additional employees working to make the Buccaneers one of the most innovative and respected organizations in all of professional sports.

Additionally, Glazer devoted a significant amount of time working to make the organization more fan-friendly by greatly expanding fan activities at Buccaneer home games through the formation of the club's special events department in 1997. His man-

date to increase player and coach visibility in the community was reflected in the more than 700 appearances made by Buccaneer players, coaches, and front office officials last year including running back Warrick Dunn's "Home for the Holidays" Program — an initiative in which Dunn provided the down payment which enabled four Hillsborough County single-parents to purchase their first homes.

"It is important for us to succeed on the field, but I want us to be good citizens in our community as well," Glazer said. "We are role models. Children and adults look up to us. I want us to set the right example."

Glazer's input has been sought on the league level as well, as evidenced by his position on the NFL's Finance Committee.

Glazer, a resident of Palm Beach, Florida, is president and chief executive officer of First Allied Corporation. First Allied serves as a holding company for Glazer's varied business interests. Mr. Glazer owns, controls or is the largest shareholder of companies with $1.5 billion in sales which employ more than 17,000 people.

A true American success story, Glazer began working in his father's watch-parts business at the age of eight. When Glazer was 15, his father died and the son assumed responsibility for the family business and expanded it.

Mr. Glazer owns a diverse portfolio of nationwide investments whose interests include restaurants, food service equipment, food packaging and food service supplies, marine protein, broadcasting, health care, real estate, banking, natural gas and oil production, internet publications, stocks, government securities, and corporate bonds. He has been profiled in The New York Times, USA Today, and Forbes Magazine, which stated that Glazer has "an eye for value."

Glazer's philanthropic and charitable activities have included significant involvement with the American Cancer Society, Sloan-Kettering Cancer Center, United Jewish Appeal, and the Jewish Guild for the Blind. Glazer has also been a benefactor for such worthwhile causes as the Muscular Dystrophy Association, Cystic Fibrosis, the American Heart Association, the Multiple Sclerosis Foundation, the Leukemia Society, St. Jude's Children's Hospital, the March of Dimes, Mothers Against Drunk Drivers (MADD), the Jewish Home for the Aged, and Junior Achievement.

Born in Rochester, New York, Glazer and his wife, Linda, have six children: Avram, Kevin, Bryan, Joel, Ed and Darcie.

Malcolm Glazer's Reconstruction of the Buccaneers

In 1995, Malcolm Glazer paid a record price for a professional football team that had a 19-year winning percentage of .307. Nevertheless, he predicted success on the field; in fact, practically the first words he uttered as new owner of the Tampa Bay Buccaneers were, "We expect to be winners."

Three years later, the Buccaneers are enjoying one of the most remarkable turnarounds in recent sports history. Below is a chronology of the events that led to the Buccaneers being termed a "model franchise" in the NFL.

- Just months after buying the team, Glazer announces that his first priority is to build an new state-of-the-art stadium in the Tampa Bay area. After passage of the Community Investment Tax, plans are unveiled for the 65,000-seat facility (Raymond James Stadium) that will host Super Bowl XXXV in 2001.
- On January 22, 1996, Glazer hires Tony Dungy as the sixth head coach in team history, proclaiming the former Minnesota Vikings defensive coordinator as "not only one of the finest coaches, but one of the finest people in the NFL." Glazer's words seem prophetic as Dungy directs the team to a franchise record-tying 10-6 season in '97 and guides the club to its first playoff victory in 18 years.
- On April 9, 1997, the Buccaneers unveiled new, hard-hitting uniforms sporting primary colors of red and pewter. The team's new look is enthusiastically embraced by players and fans.
- In his continuing efforts to transform the organization into one of the league's model franchises, Glazer undertakes a complete overhaul of the team's front office, greatly expanding the sales and marketing staffs to meet the team's growing demands.
- Glazer shows his long-term commitment to bringing a championship to Tampa Bay by extending the contracts of key football personnel this past offseason. Beginning with a new five-year deal for Dungy, Glazer also locks up General Manager Rich McKay and cornerstone player DT Warren Sapp, as well as signing emerging free agent WR Bert Emanuel away from the Atlanta Falcons.

Bryan Glazer
Executive Vice President

Bryan Glazer begins his fourth season as Executive Vice President of the Tampa Bay Buccaneers. Glazer, who originally was one of the more influential figures in his family's purchase of the Buccaneers in 1995, has since been a driving force in improving every aspect of the franchise and the National Football League's impact in Tampa Bay.

Along with brothers Joel and Edward, Bryan oversees the day-to-day operation of the franchise, including financial operations, marketing, ticketing, and communications. Since the purchase of the team, he has devoted a significant amount of his efforts to such massive projects as the development and construction of Raymond James Stadium, the overhaul of the team's logo, colors and uniforms and the restructuring and expansion of the Buccaneers' staff. He is also currently overseeing the final plans for the Buccaneers' new administrative offices and training facility slated for completion in 1999.

Glazer worked alongside stadium architects and contractors to produce his vision of what the premier stadium in the National Football League should resemble. The Buccaneers will face NFC Central Division rival Chicago on September 20 in what will be the club's 1998 regular-season home opener and inaugural game in Raymond James Stadium.

Glazer oversaw all phases of the construction of the new 65,000-seat, open-air stadium which will host Super Bowl XXXV in 2001. The state-of-the-art stadium features such amenities as 19-inch wide seats with chairbacks, cupholders, armrests, concourse televisions, full-color replay boards at both ends of the stadium, one of the most sophisticated scoreboard systems in all of professional sports, and the centerpiece of the stadium — the luxurious club seats and air-conditioned club lounges that will surely make Tampa Bay's new home the envy of the NFL. League insiders are calling Raymond James Stadium the crown jewel of the National Football League.

In 1996-97, Glazer worked closely with designers and graphic artists from NFL Properties in New York and Los Angeles to develop and refine the Buccaneers' new logo, which was successfully unveiled before an estimated crowd of 5,000 frenzied Buccaneer fans at the Tampa Convention Center on April 9, 1997.

The new logo, which drew rave reviews from such national media outlets as USA Today, Fox Sports, The New York Times, and the Washington Post, consists of a skull and crossed swords on a blood-red, wind-swept flag that is displayed on unique pewter-colored helmets. The modifications, based on research of Caribbean buccaneer history, were the first significant changes to the logo and uniform in the team's 22-year history.

A native of Rochester, the 33-year-old Glazer makes countless community and charitable appearances on behalf of the organization, and is a member of the Board of Directors of the Tampa Bay Performing Arts Center. Glazer earned his bachelor's degree in broadcast communications from American University in 1986 before completing his law degree from Whittier College School of Law in 1989.

A member of the Florida Bar Association, Glazer is single and resides in Tampa.

JOEL GLAZER
EXECUTIVE VICE PRESIDENT

Fourth-year Executive Vice President Joel Glazer has been a driving force in the Tampa Bay Buccaneers' renaissance, which began with the team's new look last season. Glazer, along with his brothers Bryan and Edward, oversees every facet of the Buccaneers' non-football operations, including sales, marketing and accounting as well as community and public relations.

Glazer played a crucial role in the franchise's efforts to gain approval for the construction of Raymond James Stadium. From the beginning, Joel and Bryan Glazer have been intimately involved in every aspect of the new stadium's design and construction. With a tremendous attention to detail and a focus on enhancing the fan's enjoyment of the game, tours of over 25 other facilities around the world led to a final design that will set the standard for all future football stadiums in America.

Glazer is the club's point man for the Buccaneers' ticket sales, luxury suites, club seats, group sales and customer service departments. Placing a high priority on customer relations, Glazer continues to lead the team's effort to expand and improve in all areas of business operations. Under his guidance, the Buccaneers have replaced their aging ticketing process with an innovative, integrated system that ensures an immediate response to inquiries from Tampa Bay fans. The Buccaneers have become one of the first professional sports teams to successfully launch a customer service center staffed by more than 30 employees. These employees assist fans and ticketholders on matters regarding the status of their accounts, invoices, seat assignments and locations.

Glazer also oversaw the task of establishing departmental budgets in order to maintain and efficiently administer the overall fiscal performance of the organization. Under his leadership, the Buccaneers have developed an innovative system for all financial operations including budgeting, payroll, invoices, accounts payable, purchase orders and expense reports.

Under Glazer's leadership, the Buccaneers have established a strong bond with the local corporate community, which resulted in record season ticket, club seat and luxury suite sales. Glazer was also heavily involved in the conception, design and construction of the state-of-the-art luxury suites, which quickly sold to 100% capacity for the team's first season at Raymond James Stadium.

Glazer, who represents the club at all National Football League meetings, has been an active member of the Tampa Bay Super Bowl Task Force which succeeded in bringing Super Bowl XXXV to Raymond James Stadium in January, 2001. In addition, he is a member of the Tampa Chamber of Commerce Board of Directors and the Outback Bowl Advisory Committee.

Before his family purchased the Buccaneers in 1995, Glazer worked as Vice President of First Allied Corporation, the family's holding company for its diversified business entities. Glazer sought out and negotiated new commercial real estate acquisitions for the company.

Glazer, 31, earned his bachelor's degree in interdisciplinary studies from the American University in 1989. Born in Rochester, New York, Glazer is single and lives in Tampa.

Edward Glazer
Executive Vice President

Edward Glazer, who joined the Buccaneers as Executive Vice President in 1997, oversees all aspects of the Buccaneer administrative office. Glazer's impact on the organization was felt immediately.

One of Glazer's first original concepts was the "Buccaneer Battle Flags." Each time the Buccaneer offense penetrates the opposition's 'red zone,' the Buccaneer Battle Flags are raised throughout the stadium. This dramatic game enhancement has quickly become a signature of the Tampa Bay Buccaneers.

Many of Glazer's improvements have taken place at the team's executive offices. Under Glazer's leadership, the Buccaneers have hired a new security force to help protect the players and staff. In addition, Glazer oversaw the installation of new computer systems and multi-media equipment throughout the organization, making the Buccaneers one of the most technologically advanced teams in the NFL

Tireless and conscientious, Glazer has overseen all aspects of the Buccaneers' 1998 sales campaign, including television, radio and outdoor billboards. He was the creative force and designer of the Buccaneers' nationally-recognized club seat sales program. The short film designed to educate fans about the luxurious club seating has won such awards as the Communicator Crystal Award, the ITVA Video Festival Bronze Reel Award and the Telly Award for short film. By winning a Telly, the club seat film was singled out as one of the year's most outstanding non-network video productions from among a pool of over 9,000 entries.

To ensure that all Buccaneer fans are provided with first-class assistance, Glazer installed a TTY phone service that allows hearing-impaired fans to communicate with the customer service and sales offices.

Edward, along with brothers Bryan and Joel, is already heavily involved in the design of the Buccaneers' state of the art training facility and administrative offices which will be the finest in the NFL upon their much-anticipated completion in 1999.

He also devotes a significant amount of time to the national development of the club's community relations department. Last season, the Buccaneers were recognized as one of the most charitable teams in the league with programs such as Warrick Dunn's "Homes for the Holidays."

Glazer is also Vice President of Acquisitions and Financing for the First Allied Corporation, the holding company for the Glazer family's varied business interests. At First Allied, Glazer was instrumental in the expansion of the company's real estate portfolio in Washington, D.C. Additionally, Glazer serves on the board of directors of Zapata, a New York Stock exchange corporation.

He and his wife Shari live in Tampa and are deeply committed to providing aid in their community. Shari serves on the board of directors and volunteers her time at many local charities, including Camp Good Days and Special Times, The Children's Cancer Center, The Spring of Tampa Bay, The Children's Hospital at St. Joseph's and the Tampa Aids Network, where she was co-chairperson along with Miss America 1998 for Tampa's first-ever Aids Walk. Edward Glazer was born in Rochester, New York and earned a bachelor's degree in sociology from Ithaca College.

Richard McKay
General Manager

Rich McKay enters his fourth season as the team's general manager. In this role, McKay supervises the entire football administrative operations as well as the negotiation of all player contracts. In addition, he presides over the club's college and pro personnel departments, including the NFL draft, waiver wire transactions, trades, free agency and salary cap management.

The primary architect behind the team's past six drafts, McKay has the distinction of having at least one player from five consecutive draft classes earn a Pro Bowl selection: John Lynch (1993), Trent Dilfer (1994), Warren Sapp (1995), Derrick Brooks (1995), Mike Alstott (1996) and Warrick Dunn (1997). In 1997, the Buccaneers sent a league-high eight players to the Pro Bowl, marking the first time in team history that more than three players have attended the league's post-season all-star event.

Under McKay's leadership, the 1995-97 drafts produced nine starters with 18 of 28 picks throughout that span still on the roster at the end of last season. McKay has proven to be an astute draft-day trader, positioning the team with a league-high six first-round selections over that same three-year time period.

In 1997 the franchise experienced a monumental turnaround, tying the team record for wins in a season with 10 and winning its first playoff game since 1979. McKay has negotiated contract extensions for many of the players vital to that success, ensuring the core of the team will remain intact through the turn of the century. Players who have agreed to new contracts or extensions prior to the '98 season include: Sapp, Brooks, Lynch, Dilfer, Brad Culpepper, Jorge Diaz, Karl Williams and Charles Mincy.

This past off-season, McKay was appointed co-chairman of the NFL Competition Committee, replacing retired New York Giants General Manager George Young. Past chairmen of the Committee include Tex Schramm, Don Shula and Paul Brown. McKay has served on the group of league coaches and executives primarily responsible for studying the game and passing rules modifications to ensure player safety and promote competitiveness in the league since 1994.

During his years as a committee member, McKay has had a hand in helping pass such progressive rules changes as the two-point conversion, spotting of missed field goals from the point of the kick, and moving of the kickoff spot from the 35 to the 30-yard line. At the time of his appointment, NFL Commissioner Paul Tagliabue acknowledged McKay's understanding of league procedures and dedication to the game.

"Rich McKay has a deep knowledge of the game and the operation of the league," said the Commissioner. "He was a strong contributor to the Competition Committee in recent years and has the leadership ability to be an outstanding co-chairman along with (Green Bay Packers Head Coach) Mike Holmgren."

McKay also coordinated the team's search for a new head coach following the 1995 season which culminated in the hiring of Tony Dungy in 1996. Under Dungy's unwavering guidance, Tampa Bay emerged as one of the NFC's most physical units the past two years. Dungy's leadership abilities, combined with McKay's knowledge of player personnel matters, have produced the foundation for one of the league's most promising young teams.

From 1992-94, McKay was the club's Vice President/Football Administration, handling many of his present-day responsibilities as well as dealing with the everyday running of the front office. An experienced contract negotiator, McKay worked with the three Trustees entrusted with the sale of the team from the Culverhouse estate to the Glazer family in 1995. As one of the negotiators in the sale process, McKay played a role in

striking the sale agreement that ensured the franchise would remain in Tampa.

Regarded as one of the nation's leading experts on facility leases, McKay has represented a number of professional sports teams on a variety of stadium issues regarding acquisitions, leasing, financing, and debt service. In this regard, McKay played a key role in securing the new community stadium that will serve as the new home of the Buccaneers beginning with the 1998 season and host Super Bowl XXXV in 2001. McKay, along with Buccaneers Executive Vice Presidents Bryan and Joel Glazer, negotiated the terms for the lease of the new stadium with Tampa Mayor Dick Greco and Hillsborough County Administrator Dan Kleman.

"Rich's experience in negotiating contracts proved to be an invaluable asset in our ability to get the stadium lease completed," said Joel Glazer. "Without Rich's input, it would have been a far tougher challenge reaching an agreement."

Prior to joining the Buccaneers on a full-time basis, McKay was an attorney with the Tampa law firm of Hill, Ward, and Henderson, joining them in 1986. While in that position, he served as the team's legal counsel for six years and helped facilitate the reworking and extension of the team's lease with the Tampa Sports Authority in 1991.

McKay, who also taught a course in sports/entertainment law at Stetson University's College of Law, earned his bachelor's degree with honors in 1981 from Princeton University. He also graduated from Stetson's College of Law in 1984 and clerked for two years for Tampa U.S. District Judge William Terrell Hodges.

McKay is the son of legendary coach John McKay, who won four national championships at the University of Southern California and was the first head coach in Buccaneers history (1976-84). Born March 16, 1959 in Eugene, Oregon, McKay grew up in Los Angeles and Tampa, graduating from Tampa's Jesuit High School, where he was the football team's starting quarterback. An avid long-distance runner, he has participated in and finished two New York City Marathons. McKay and his wife, Terrin, have two sons, Hunter (7/20/88) and John (9/24/92). The family resides in Tampa.

Rich McKay's Draft-Day Dealing

General Manager Rich McKay has helped shape the Buccaneers' draft-first approach to the team's construction, and he's made that philosophy work with consistently shrewd maneuvering on draft day. Below is a look at McKay's most important draft-related moves over the last five years.

- Traded TE Harold Bishop to Cleveland in 1995 for a second-round pick in 1996, which was used to select FB Mike Alstott, a 1997 Pro Bowler. Bishop had been selected by Tampa Bay in the third round in 1994 and had played in just six games with no starts as a rookie.
- After acquiring an extra second-round pick in the 1995 draft by trading down five spots in the first round, selected eventual Pro Bowl DT Warren Sapp 12th overall. That extra second-round pick was then used in tandem with another second-rounder to trade up into the first round and select eventual Pro Bowl LB Derrick Brooks.
- Traded QB Craig Erickson to Indianapolis in 1995 for a first-round draft choice in 1996. That pick was used on DT Marcus Jones.
- Traded a 1996 second-round pick to San Diego for the Chargers' first-round choice in 1997. That pick was eventually used to select all-rookie WR Reidel Anthony, the team's leading receiver in '97. The Buccaneers' six first-round picks over a three-year span were the most by any NFL team in that period.
- Traded first-round pick in 1998 draft to Oakland for two of the Raiders' second-round picks. Tampa Bay then selected WR Jacquez Green and CB Brian Kelly, two players projected as first-round picks, and used the additional second-round choice to acquire a first-round pick from San Diego in 2000.

Tony Dungy
Head Coach

18th NFL Season, 3rd with Buccaneers

In just his second season as head coach, Tony Dungy guided the Tampa Bay Buccaneers to the franchise's first playoff appearance in 15 years. Under Dungy's steady hand the Buccaneers became one of 1997's biggest surprises, tying the club record for wins in a season with 10 and recording the franchise's first playoff victory since 1979.

Long considered one of the league's top defensive minds, Dungy's two-year coaching record of 16-16 (.500) is the best winning percentage of any previous Buccaneer head coach. Following the '97 season, Dungy was selected as the Professional Coach of the Year by the Maxwell Football Club for his accomplishments in turning the Buccaneers into legitimate playoff contenders. On March 11, 1998, Dungy received yet another reward for his outstanding achievements — a new five-year contract that essentially voided out the terms of his original contract and ensured he will be with the team through the 2002 season.

"Two years ago, we decided Tony was the right man to lead this team into the future," Buccaneers Owner/President Malcolm Glazer said. "Since that time, he has exceeded even our highest expectations. When my family took ownership of this team in 1995, we pledged to bring a championship to Tampa Bay. We have no doubt that Tony will be the person to one day bring a title to our loyal fans."

The Buccaneers opened the 1997 season with an emotionally charged 13-6 downing of perennial powerhouse San Francisco en route to matching the franchise's 1979 mark for most wins to start a season with five. After losing its next three contests, the team displayed a new-found resolve, winning five of its last eight games to qualify as an NFC Wild Card participant. Under Dungy's supervision an NFL-best eight Buccaneer players were selected to the Pro Bowl, including first timers QB Trent Dilfer, RB Warrick Dunn, FB Mike Alstott, C Tony Mayberry, DT Warren Sapp, LB Derrick Brooks, S John Lynch and three-time participant LB Hardy Nickerson.

Dungy's squad made the jump to elite status led by a talented defense that combined youth and veteran leadership and finished the season as the league's third-ranked unit (fifth rushing, 10th passing). Following in the traditional Dungy mold of establishing a strong pass rush, the Buccaneer front four broke loose for a team-record 44 quarterback sacks with all four starters achieving career highs in that category.

The team's offense made considerable strides in '97 as well, scoring the fourth highest point total in club history (299) behind one of the league's most dangerous running attacks. Throughout his coaching career, Dungy has had few reservations about inserting rookies into the starting lineup and last season was no exception. First-rounders Dunn and WR Reidel Anthony both earned starting assignments early into their first seasons. Dunn combined with Alstott to form the core of a Buccaneer rushing attack that finished the season ranked sixth in the NFC and ninth overall in rushing yards (1,934) and Anthony finished as the club's leader among wide receivers with 35 receptions for 448 yards and four touchdowns.

"Last year was a great experience for everyone in our organization," said Dungy following the season. "As a team, we learned a lot about what it takes to compete and win on a championship level. The marker has been set and now it is our challenge to meet and exceed those higher expectations. There are still areas that need improvement in order for us to bring a championship to Tampa Bay, but I am confident we have the personnel in place to meet those challenges."

Dungy was named head coach of the Buccaneers on January 22, 1996. Eleven months later, he guided his club to victories in five of their final seven games including a franchise-record five consecutive victories at home. The strong finish would serve as an early indicator of the organization's eventual rise to prominence the following year.

Buccaneer fans found out almost immediately what kind of football coach Dungy is in '96 when his team stumbled out of the blocks with an 0-5 record before recording their first victory of the season and Dungy's first as an NFL head coach — a 24-13 triumph over the Minnesota Vikings on October 13.

Dungy oversaw a defensive unit that held seven straight opponents to 17 points or less during one late-season stretch. His aggressive defenses have been known for takeaways and scoring touchdowns. In his last 15 seasons, his units have scored an amazing 48 defensive TDs. In fact, since the 1970 AFL-NFL merger, only nine teams have scored as many as seven defensive touchdowns in a season and four of those have come under Dungy's guidance.

When Dennis Green became the Minnesota Vikings' head coach in 1992, he named Dungy as his defensive coordinator. In his four seasons with the Vikes, his defenses intercepted an NFL-best 95 passes as the team qualified for post-season play three times. In 1995, Dungy's troops racked up impressive statistics. The Vikes finished second in the NFL in takeaways with 40, ranked second in the league in interceptions with 25, ended up fourth in the NFL against the rush and were tied for first in the NFC and fourth in the NFL in sacks with 44.

Dungy directed another successful defensive effort for the Vikings in 1994 despite having fewer first round picks (one) than any other playoff defense. Minnesota ranked first in the NFL in defensive TDs with seven, first in the league in run defense, was fifth in the NFL in total defense, tied for first in the NFC in fumble recoveries with 16, fourth in the conference in takeaways with 34 and tied for fifth in the NFC with 36 sacks. The Vikings' league-best 68.1 rushing yards allowed per game was the fourth-best in NFL history and the top league mark in 30 years (Buffalo 65.2 in 1964). Three of the four NFC Defensive Players of the Month for the '94 campaign were Vikings. CB Anthony Parker established a new NFL record with a defensive touchdown in three consecutive games while CB Dewayne Washington tied a league rookie record with three defensive scores for the season.

In 1993, under the direction of Dungy, the Vikes boasted the NFL's number one ranked defense (275.3 yards per game). Minnesota was also the league's only team to rank in the top six defenses against both the run and the pass. Only the defenses of the Vikings, Oilers and Jets produced more than one shutout in '93. Dungy's corps also led the NFC and ranked second in the NFL in interceptions with 24, was third in the NFC in takeaways with 34, paced the league in fewest first downs permitted (259), was number one in highest percentage of opponents' passes intercepted (5%) and finished fourth in the conference in sacks with 45.

In his first year with Minnesota (1992), Dungy's defense had five new starters yet still led the NFL in interceptions with 28, ranked first in the NFC and second in the NFL with 42 takeaways, tied for the league lead in defensive touchdowns with eight (NFL's best total in eight years), and tied for third in the NFL in sacks with 51. Additionally, the Viking defense was second in the league in yards allowed per play (4.5), finished first in the NFL in fewest yards allowed per pass play, had the NFL's lowest percentage of TD passes allowed (2.4%), finished third in the league in fewest TDs allowed with 23, ranked eighth in the NFL in total defense and was seventh in the NFL against the pass. Four Viking defensive players were selected to participate in the Pro Bowl.

From 1989-91, Dungy was the defensive backs coach for the Kansas City Chiefs under Head Coach Marty Schottenheimer. In 1989, the Chiefs finished first in the AFC and second in the NFL in pass defense while the club qualified for the playoffs in 1990 and '91. From 1989-90, Kansas City allowed both the second-fewest completions in the NFL (503 behind Minnesota's 470) and the league's second-lowest completion percentage (51.2% behind Philadelphia's 48.5%). Under Dungy's guidance, CBs Albert Lewis and Kevin Ross were two-time Pro Bowl selections.

Dungy's first NFL coaching stop was with the Pittsburgh Steelers from 1981-88. In '81, he became the youngest assistant coach in the NFL (25) when he joined the Steelers as a defensive assistant. From 1982-83, Dungy served as Pittsburgh's defensive backs coach, tutoring such Steeler stars as Mel Blount and Donnie Shell. In 1983, the Steelers' secondary permitted just seven touchdown passes in 16 games. In '84, Dungy became the youngest coordinator in the NFL when, at the age of 28, the Steelers tabbed him to run their defense. Pittsburgh's "D" ranked among the league's top six in each of his first two seasons as coordinator and, in his five years in that position, his defenses averaged 24 interceptions and 37 takeaways per season while scoring 20 touchdowns (including a league-best seven in 1987).

Dungy began his coaching career in 1980 at the age of 24 when he served as the defensive backs coach at the University of Minnesota (his alma mater).

As a player, Dungy was a quarterback at the University of Minnesota from 1973-76. He finished his Golden Gopher career as the school's all-time leader in pass attempts (576), completions (274), passing yards (3577) and touchdown passes (25). Dungy also rushed 413 times for 1,345 yards and 16 touchdowns. A two-time team Most Valuable Player, Dungy played in the East-West Shrine Game, the Hula Bowl and the Japan Bowl. At the time he completed his college career, he ranked fourth in Big Ten history in total offense behind Mike Phipps, Archie Griffin and Bob Griese. As a junior, he established a single-season school record with 15 TD passes while leading the Big Ten and ranking fifth nationally in both total offense and passing. As a freshman, Dungy played for the 1973-74 Gophers varsity basketball team, averaging 2.6 points per game before ultimately playing football only. He earned a B.A. in business administration.

Following his UM career, Dungy signed as a free agent with the Steelers in May, 1977. In training camp, he was converted from quarterback to wide receiver to safety, and he impressed the Pittsburgh coaching staff sufficiently to become the first free agent to make the team's final roster in two years. Dungy appeared in 14 games as a rookie and notched three interceptions. In a '77 game against the Houston Oilers, Steeler QBs Terry Bradshaw and Mike Kruczek were both injured and Dungy completed three of eight passes for 43 yards and rushed three times for eight yards. He had the unusual experience of making an interception and throwing one in the same game.

In 1978, Dungy played in all 16 games and, despite starting just two contests, he ranked second in the AFC with six interceptions. He saved the Steelers' 15-9 victory over the Cleveland Browns with an end zone interception on the game's final play which he returned 65 yards. Dungy played in the Steelers' 35-31 victory over the Dallas Cowboys in Super Bowl XIII. During training camp in 1979 (8/21), Dungy was traded to the San Francisco 49ers in exchange for a 1980 tenth-round draft choice. He participated in 15 games for the 49ers in '79. Prior to the 1980 campaign (3/27), Dungy was dealt to the New York Giants along with RB Mike Hogan in exchange for WR Jimmy Robinson and CB Ray Rhodes (current head coach of the Philadelphia Eagles).

Since arriving in the Tampa Bay area, Dungy and his wife, Lauren, have been very active in community affairs. Dungy has done extensive work as a speaker for the Fellowship of Christian Athletes and Athletes in Action. In 1997, he participated in Mentors for Life, a program which provides tickets to Buccaneer home games to area youth and their mentors. Additionally, he has been a large supporter of a variety of children's charitable programs such as Big Brothers/Big Sisters, Boys and Girls Clubs and foster parenting organizations. Lauren has volunteered regularly at The Spring, a shelter for abused women and children, as well as the First Baptist Church of College Hill lunch program.

Born Anthony Kevin Dungy on October 6, 1955 in Jackson, Michigan, he graduated from Parkside High School in Jackson. He and Lauren have three children, including daughter Tiara (12/28/84), and sons James (1/6/87) and Eric (1/12/92).

Mark Asanovich
Strength & Conditioning Coach

4th NFL Season, 3rd with Buccaneers

Mark Asanovich enters his third season as the team's strength and conditioning coach. A four-year NFL coaching veteran, Asanovich joined the team in 1996 after spending the '95 season as the assistant strength and conditioning coach for the Minnesota Vikings. The 39-year-old oversees all aspects of Tampa Bay's strength and conditioning program, including the highly successful four-month off-season voluntary workout program.

Under Asanovich's guidance, the team has upgraded virtually every facet of its weight training facility, investing more than $100,000 in new equipment over the past three seasons. The voluntary off-season conditioning program has been another key to the team's success in recent years, with participation levels of eligible rostered players hovering around 100 percent.

Prior to joining the Vikings, Asanovich worked from 1987-95 as the strength and conditioning coach at Anoka (Minn.) High School. During his tenure there, the school captured state football championships in 1990 and 1994. Anoka also won state titles in soccer (1989), wrestling (1991), and basketball (1992) during his nine years at the school. Asanovich came to Anoka after spending 1986 in a similar capacity at The Citadel.

In 1984, Asanovich was hired as a graduate assistant coach at Ohio State as the Buckeyes won the Big Ten title and played in the Rose Bowl that season. That same season, he also worked as the strength and conditioning coach at Grove City (Ohio) High School. Asanovich was promoted to assistant strength and conditioning coach at Ohio State the following year as the team went 9-3 and defeated Brigham Young in the Citrus Bowl.

While in Minnesota, Asanovich was a member of the Governor's Council for Health and Physical Fitness and also was on the Executive Board of the Minnesota Association of Physical Education, Health, Exercise, Recreation, and Dance. He was also one of the first 15 coaches certified by the National Strength Conditioning Association.

Asanovich earned his bachelor's degree in special education from St. Cloud State and his master's in strength training and athletic conditioning from Ohio State.

A native of Duluth, Minnesota, Asanovich played guard and linebacker at the city's East High School. He and his wife, Allisen, reside in Odessa.

Clyde Christensen
Tight Ends Coach

3rd NFL Season, 3rd with Buccaneers

Clyde Christensen was named as the Buccaneers' tight ends coach on February 1, 1996. Christensen joined the Bucs after spending the previous 16 years in a variety of coaching positions on the collegiate level.

In his first two seasons with the Bucs, he has overseen the development of a young tight end corps that is anchored by steadily emerging veteran Dave Moore. Under Christensen's guidance, Moore has made the transition from backup role player to starter, equaling receivers Karl Williams and Reidel Anthony with a team-high four receiving touchdowns in '97 and more than doubling his career reception totals over the past two seasons. This season, Christensen will also be entrusted with the further development of second-year player Patrick Hape, who spent most of his '97 rookie season splitting time between fullback and tight end.

Before coming to Tampa, the 40-year-old Christensen spent two years (1994-95) as the co-offensive coordinator/quarterbacks coach at Clemson. From 1992-93, he served as the quarterbacks coach at Maryland where he tutored John Kaleo and current Buccaneer backup quaterback Scott Milanovich. Under Christensen's direction, Maleo ranked second in the nation in total offense in 1992 while Milanovich finished fourth in 1993.

In 1991, Christensen served as running backs coach at South Carolina after spending 1989-1990 as an assistant coach at Holy Cross. While coaching the Crusaders, he oversaw the receivers and tight ends in '89 before being promoted to offensive coordinator for the '90 season. From 1986-88, Christensen was the offensive coordinator and was also in charge of recruiting at East Carolina as the Pirates built a reputation for offensive explosiveness against ranked opponents.

Christensen oversaw the quarterbacks and wide receivers at Temple from 1983-85 after holding the position of offensive coordinator at East Tennessee State from 1980-82. He began his coaching career as a graduate assistant at Mississippi in 1979.

As a player, Christensen was an All-America quarterback for Fresno City Junior College from 1975-76. He continued his collegiate career as a QB at North Carolina where he lettered for the Tar Heels from 1977-78 as they earned trips to the Peach Bowl and Liberty Bowl. Christensen earned his bachelor's degree in industrial relations from UNC.

Born January 28, 1958 in Corvina, California, Clyde and his wife, Debbie, reside in Tampa with their three daughters, Rachel (7/15/83), Rebecca (9/12/85) and Ruth (9/6/90).

Herman Edwards
Assistant Head Coach/ Defensive Backs Coach

9th NFL Season, 3rd with Buccaneers

A long-time acquaintance of Buccaneers Head Coach Tony Dungy, Herman Edwards enters his third season as the team's assistant head coach and defensive backs coach. Edwards, who met Dungy while participating in the Hula Bowl and Japan Bowl college all-star games in 1976, is responsible for assisting the head coach with various administrative functions in addition to his on-field work with the team's defensive secondary.

In '97, the Buccaneer secondary put forth its second consecutive stellar performance under Edwards' tutelage finishing in the league's top 10 in pass defense. Aided by an improved defensive line that constantly harassed opposing passers, the Buc defensive backfield allowed an average of just 188.0 passing yards per game. Edwards coached his unit to new heights last season, elevating the play of established veterans CB Donnie Abraham and SS John Lynch, and maximizing the talents of newly acquired veteran starters CB Anthony Parker and FS Charles Mincy. One of the unit's biggest beneficiaries of Edwards' teaching style was Lynch, who became the first defensive back to earn a Pro Bowl selection since Wayne Haddix ('90) after posting a career-best 154 tackles and two interceptions.

In 1996, under Edwards' guidance, the Buccaneer pass defense rose from 16th in the league after the second week to fourth place by season's end. Led by Lynch and rookie sensation Donnie Abraham, the Tampa Bay defensive backs limited opposing offenses to an average of just 182.8 passing yards per game, the team's lowest mark since 1991 (179.5).

Edwards, 44, joined the Buccaneers after spending the past seven years in several different capacities with the Kansas City Chiefs. In 1995, he served as a pro scout in the Chiefs' player personnel department. From 1992-94, he was the team's defensive backs coach and was credited with the development of Dale Carter (AFC Defensive Rookie of the Year in '92) and Mincy while also coaching Pro Bowlers Kevin Ross and Albert Lewis. In each of Edwards' three seasons as the Chiefs' DBs coach, the team ranked in the NFL's top three in takeaways and in the top ten in pass defense. In 1992, under Edwards' guidance, the Chiefs led the AFC and ranked second in the NFL in pass defense (158.6 yards per game). K.C.'s 24 interceptions was the third highest total in the league that season as Chief DBs scored five touchdowns. In 1993, injuries rocked the Kansas City secondary and Edwards was forced to use five different starting combinations. Still, the Chiefs permitted just 196.6 yards per game and had 21 interceptions (seventh in NFL).

From 1990-91, Edwards was a talent scout for the Chiefs while also spending training camps as an assistant to Dungy who was then K.C.'s defensive backs coach. Edwards initially worked for the Chiefs in the summer of 1989 as the recipient of the team's Minority Coaching Fellowship. He began his coaching career at San Jose State as the Spartans' defensive backs coach from 1987-89. During each of his three seasons at SJSU, Spartan opponents completed less than 50% of their passes.

As an NFL player, Edwards played ten seasons including nine with the Philadelphia Eagles (1977-85). Undrafted following his college career, he was signed as a free agent by current Chiefs' President/General Manager Carl Peterson who was then the Eagles' Director of Player Personnel. As a rookie cornerback, Edwards started the first pre-season game and then proceeded to start all 135 games during his nine-year Eagle tenure. He earned Second Team All-NFC honors in 1980 and 1982, and played for the Eagles in Super Bowl XV (27-10 loss to Oakland Raiders).

However, Edwards is best remembered for recovering a fumble by New York Giant QB Joe Pisarcik and returning it 26 yards for a touchdown with 31 seconds remaining in

Philadelphia's 19-17 "Miracle in the Meadowlands" (11/19/78). He left Philly with 33 career interceptions which ranks second on the team's all-time list behind Bill Bradley and Eric Allen (34). Including post-season play, his 38 interceptions is an Eagle record. Edwards' final NFL season came in 1986 when he played four games for the Los Angeles Rams and three for the Atlanta Falcons before announcing his retirement during the season (11/11).

Edwards began his college career at Cal-Berkeley and played there in 1972 and '74, earning All-PAC 8 (now PAC 10) honors. He set a Golden Bear record with four interceptions in one game. In 1973, he played at Monterrey Peninsula Junior College. Edwards played his senior season at San Diego State where he received his bachelor's degree in criminal justice.

Last season, Edwards and the Buccaneers' secondary implemented a youth enrichment program called "Focus and Finish", which they will sponsor again this season. The program encourages high school athletes to excel in athletics and as citizens in their respective communities through volunteering, tutoring, and mentoring programs. The student-athletes involved in "Focus and Finish" must have a minimum 3.0 grade-point average and be involved in community service. The group sits in a special section each game, courtesy of tickets purchased by Edwards and members of the Bucs secondary.

Edwards, for the third straight year, hosted the Herm Edwards Football Camp, which was attended by more than 300 underprivileged youth living on the Monterey Peninsula. The camp, which is offered at no cost to participants, raises money through an auction and raffle dinner which is then distributed to five area schools. In years past, he also hosted the Annual Herman Edwards Charity Golf Classic which benefited the Boys and Girls Club in Seaside, California.

A native of Monmouth, New Jersey, Edwards grew up in Seaside, California. He has a son, Marcus (12/13/81), and resides in Tampa.

CHRIS FOERSTER
OFFENSIVE LINE COACH

6th NFL Season, 3rd with Buccaneers

Chris Foerster enters his third season as coach of the Buccaneer offensive line after spending three years (1993-95) as an assistant coach for the Minnesota Vikings. One of the first assistants hired by Tony Dungy upon his arrival in '96, Foerster has been responsible for a dramatic improvement in the team's offensive line play the past two seasons.

Prior to 1997, no Buccaneer offensive lineman had ever been selected to represent the NFC in the league's Pro Bowl. All that changed last season however, when C Tony Mayberry earned that honor and LT Paul Gruber was chosen as a first alternate. Those individual honors serve as a testament to Foerster's coaching abilities. Last season, the Buccaneer offensive line finished tied for

fifth in the league in sacks allowed, surrendering just 32 takedowns. In his first two seasons with Tampa Bay, Foerster has been instrumental in the rapid progress of early-round selections T Jason Odom ('96), T Jerry Wunsch ('97) and G Frank Middleton ('97) as well as '96 surprise college free agent G Jorge Diaz, giving all four significant rookie-season playing time.

In his first Tampa season, Foerster took over an offensive line unit that suffered various injuries to key personnel. Despite the fact that the unit's five starters played together in just one game, the Buc offensive line ranked 12th in the league in sacks allowed, surrendering just 30 takedowns.

Foerster joined the Vikes in 1993 as assistant offensive line coach and also helped with the tight ends in 1994. In 1996, he was promoted to tight ends/assistant offensive line coach by Minnesota Head Coach Dennis Green. The Vikings' offensive line solidified their reputation for getting the tough yards as the team earned a first down on 25 of 27 third or fourth down tries from three yards or less. In '94, Minnesota gained a club-record 5,848 yards and permitted just 31 sacks in 704 pass attempts. That ratio of a sack every 22.7 passes was the second best in team history. In Foerster's first Viking season, the club produced a sackless streak of 14 consecutive quarters which was a team record.

In Foerster's three years with the Vikes, G Randall McDaniel was selected to three Pro Bowls. In '94, TE Andrew Jordan and T Todd Steussie were named as consensus all-rookie picks.

In 1992, prior to accepting his post with the Vikings, Foerster worked as the offensive line coach at the University of Minnesota under Head Coach Jim Wacker. That season, the Gophers set a school mark for completions while also leading the Big Ten in passing yards. One of Foerster's players, T Keith Ballard, was named as the team's Most Valuable Player.

From 1988-91, Foerster tutored the offensive line at Stanford, working the last three years for then-Cardinal Head Coach Dennis Green. While Foerster was at Stanford, T Bob Whitfield developed into an All-America and 1992 first-round draft choice, and FB Tommy Vardell set a school career and single-season record for rushing TDs. Foerster began his college coaching career at Colorado State in 1983 as a graduate assistant. He was promoted to offensive line coach the following season and remained with the Rams through the 1987 campaign. While at CSU, Foerster's line played in front of the school's all-time leading rusher (Steve Bartalo) and passer (Kelly Stouffer), and the school boasted three First Team All-Western Athletic Conference offensive linemen.

Foerster played center at Colorado State from 1979-82, originally as a walk-on before earning a starting job and a scholarship as a junior. In his senior year, the Rams set a school record for passing yards in a season. The previous year, Foerster was named as CSU's outstanding scholar-athlete. Foerster earned his bachelor's degree in history in Colorado State.

A native of Milwaukee, Foerster grew up in Tucson, Arizona where he earned all-city honors in football. He and his wife, Michelle, live in St. Petersburg with daughter Kathleen (8/9/88) and son Jake (12/6/91).

Monte Kiffin
Defensive Coordinator

16th NFL Season, 3rd with Buccaneers

A 16-year coaching veteran, Defensive Coordinator Monte Kiffin enters his third Buccaneers campaign as the team's most experienced assistant. In '97, Kiffin's defense continued to gain respect as one of the league's most feared units. After finishing the '96 season with a respectable 11th-place overall league ranking, Kiffin's unit reached elite status last season, finishing third in overall defense.

Kiffin's talent-laden one-gap defensive scheme overmatched many opponents in '97, allowing an average of 16.4 points per game and limiting teams to less than 300 total yards in nine regular season contests. Fueled by Pro Bowlers LB Hardy Nickerson, DT Warren Sapp, LB Derrick Brooks and SS John Lynch, the Buccaneer defense finished sixth against the run and 10th versus the pass in the league's overall rankings. A key ingredient to the team's defensive improvement was a young and aggressive defensive line unit that accumulated a franchise-record 44 quarterback sacks and was led by Sapp's 10.5 takedowns.

The 58-year-old Kiffin came to Tampa Bay after spending the 1995 campaign as the defensive coordinator for the New Orleans Saints. In 1995, the Saints tied for fourth in the NFL in sacks with 44 as DT Wayne Martin led the team with 13. Just prior to coaching in New Orleans, Kiffin spent four seasons (1991-94) as an assistant coach for the Minnesota Vikings, serving as defensive coordinator for Head Coach Jerry Burns in 1991 and as inside linebackers coach for Head Coach Dennis Green and Defensive Coordinator Tony Dungy from 1992-94. During that tenure in Minnesota, Kiffin's star pupil was Jack Del Rio as the Vikes led the league in both total defense and run defense in 1994. In '93, Minnesota allowed the fewest first downs in the NFL while pacing the NFC in rushing defense. In 1992, the Vikings rated second in the league as the defense permitted just 4.5 yards per play.

In 1990, Kiffin tutored the linebackers for the New York Jets under then-Head Coach Bruce Coslet and Defensive Coordinator Pete Carroll. Kiffin helped Kyle Clifton tie for the NFL lead in interceptions among linebackers. Kiffin had his first tour of duty with the Vikings as the team's linebackers coach from 1986-89. During that time, he coached standout Viking LBs Scott Studwell, Chris Doleman and Mike Merriweather. In both '88 (255.7, 4.3) and '89 (261.5, 4.1), Minnesota was the league leader in both total defense and yards allowed per play.

From 1984-85, Kiffin coached the linebackers for the Buffalo Bills, overseeing players like Darryl Talley and Jim Haslett who later coached with Kiffin in New Orleans. Kiffin's first professional coaching job came in 1983 as the linebackers coach for the Green Bay Packers under then-Head Coach Bart Starr.

Kiffin was the head coach at North Carolina State from 1980-82, compiling a 16-17 record including 6-5 marks in 1981 and '82. Former Philadelphia Eagle Pro Bowl WR Mike Quick played for the Wolfpack under Kiffin. From 1977-79, Kiffin was defensive coordinator for Lou Holtz at Arkansas while also serving as assistant head coach in '79. Chicago Bear great Dan Hampton was coached by Kiffin at Arkansas as the Razorbacks led the nation in scoring defense in 1977.

Kiffin began his coaching career at Nebraska where he worked from 1966-76 under both Bob Devaney and Tom Osborne. NU captured national championships in both 1970 and '71. He was a defensive assistant from 1966-72 before being promoted to defensive coordinator. Future NFLers like Outland Trophy winner Rich Glover, John Dutton and Bob Nelson were Cornhuskers under Kiffin.

As a player, Kiffin played both offensive and defensive tackle at Nebraska from 1959-63. Following graduation, he sat out the 1964

season due to a knee injury before playing defensive end for the Winnipeg Blue Bombers of the Canadian Football League in 1965.

A native of Lexington, Nebraska, Kiffin was that state's High School Athlete of the Year in 1958. Monte and his wife, Robin, live in St. Petersburg. They have three children including daughter Heidi (9/5/68) and sons Lane (5/9/75) and Chris (1/19/82). Lane played quarterback at Fresno State with current Buccaneer QB Trent Dilfer.

AARON KOMAREK
ASSISTANT STRENGTH & CONDITIONING COACH

3rd NFL Season, 3rd with Buccaneers

At 27, assistant strength and conditioning coach Aaron Komarek is already in his third full season with the Buccaneers. Komarek assists Strength and Conditioning Coach Mark Asanovich in all areas of Tampa Bay's conditioning program, including one-on-one strength workouts with each Buccaneer player.

Before coming to Tampa Bay, Komarek worked with Asanovich from 1993-95 as a strength and conditioning intern for the Minnesota Vikings and as a strength and conditioning coach for Minnesota's Anoka High School. With his assistance, the 1994 Anoka football team went undefeated (14-0) and captured the high school state championship.

Komarek graduated with honors from the University of Minnesota in 1995, earning a bachelor's degree in kinesiology. The St. Paul, Minnesota native is a member of Florida's Expert Strength Council (1996-97) and served as Minnesota's Co-State Director of the National Strength & Conditioning Association in 1994. This past off-season, he also served as a trainer for professional tennis player Jennifer Capriati. He is single and resides in Tampa.

JOE MARCIANO
SPECIAL TEAMS COACH

13th NFL Season, 3rd with Buccaneers

Over the National Football League's last decade, special teams have gradually gained emphasis and the prominence of Joe Marciano's outstanding work has increased accordingly. One of the NFL's most respected special teams coaches, Marciano is entering his third season in charge of those units for the Buccaneers.

Marciano and the Buccaneers' special teams continued to shine in 1997 and are expected to further improve in '98 with the addition of potent return man Jacquez Green. Last season, WR Karl Williams recorded just the third punt return for a touchdown in franchise history and rookie LB Alshermond Singleton blocked two punts. Williams finished as the NFC's second-leading punt returner and the Bucs finished first in the NFL in opponent net punting and opponent field goal percentage, fourth in punt return average and opponent average kickoff drive start and fifth in opponent gross punting average.

Marciano has turned the Bucs' special teams units into big-play producers. In just two seasons under his tutelage, Buccaneer special teamers have recorded three NFC Player of the Week awards, eight blocked or deflected kicks and five of the seven longest punt and kickoff returns in team annals. Marciano joined Tampa Bay after spending the previous ten years as the special teams coach for the New Orleans Saints. For the first nine of those campaigns, he also coached the team's tight ends. In 1995, the Saints ranked third in the league in lowest punt return average allowed (6.5) and sixth in lowest kickoff return average permitted (19.8).

During Marciano's New Orleans tenure, he coached three special teams players who were selected for the Pro Bowl (Morten Andersen, Tyrone Hughes, Bennie Thompson).

Marciano's first professional football job came as the special teams/tight ends coach for the Philadelphia/Baltimore Stars of the USFL. Marciano joined the Stars after spending 1982 as the tight ends/special teams coach at Temple.

In 1981, Marciano tutored the tight ends for Head Coach Joe Paterno at Penn State. There, he coached future NFL offensive lineman Ron Heller who played TE for the Nittany Lions. Marciano also coached tight ends at Villanova (1980) and Rhode Island (1978-79). He began his college coaching career overseeing the tight ends at East Stroudsburg University in 1977. Marciano coached at Wyoming Area High School in West Pittston, Pennsylvania in 1976.

The 44-year-old Marciano was a quarterback at Temple where he earned his bachelor's degree in health and physical education. A native of Dunmore, Pennsylvania, he is an avid fisherman who has conducted various fishing tournaments and has appeared on numerous ESPN fishing shows. In 1993, Marciano was inducted into the Northeast Chapter of the Pennsylvania Sports Hall of Fame. He is single and resides in Odessa.

Rod Marinelli
Defensive Line Coach

3rd NFL Season, 3rd with Buccaneers

Rod Marinelli joined the Buccaneers in 1996 with a reputation as one of the nation's finest collegiate assistants and a consummate teacher. In just two seasons, he has proven to be more of an architect, building Tampa Bay's defensive line into perhaps the finest pass-rushing unit in team history. Marinelli will enter his third NFL season and third campaign with the Bucs hoping to build on a team-record total of 44 sacks.

Marinelli helped every member of the Bucs' defensive line record a career year in 1997, as DT Warren Sapp emerged as a bona fide NFL star, DE Chidi Ahanotu made a name for himself as much more than a dependable performer, DT Brad Culpepper finally shed the mantle of 'overachiever' and DE Regan Upshaw gave the team its first significant production at right end in years.

A veteran of 20 seasons as a college assistant coach, Marinelli came to Tampa Bay after spending the 1995 season as the defensive line coach at Southern Cal under Head Coach John Robinson. From 1992-94, Marinelli was the assistant head coach/defensive line for Head Coach Bruce Snyder at Arizona State. In 1993, three of his starting linemen earned All-PAC 10 honors. Shante Carver (now with the Dallas Cowboys) was an All-America pick and was also a finalist for the Outland and Lombardi trophies.

From 1983-91, Marinelli coached the defensive line at California, adding assistant head coach to his title for his final two Golden Bear seasons. Snyder became the school's head coach in 1987 and retained Marinelli. While at California, Marinelli coached several future NFLers including Chidi Ahanotu, Rhett Hall and Natu Tuatagaloa.

Marinelli's first coaching job came in 1976 from Snyder who was then the head coach at Utah State. From 1976-81, Marinelli oversaw the Aggies' defensive line before becoming USU's offensive line/special teams coach for the 1982 campaign. In six seasons as the D-Line coach for Utah State, three of his players (Rulon Jones, Mike Perko, Shawn Miller) won conference Defensive Player of the Year honors. Marinelli began his coaching career at his alma mater, Rosemead High School in San Gabriel Valley, California, from 1973-75.

Marinelli played offensive and defensive tackle at Utah in 1968 before serving a one-year stint in Vietnam. He returned from the service and attended California Lutheran from 1970-72, earning NAIA All-America honors as an offensive tackle in '72. Marinelli earned his bachelor's degree in history from CLC.

Born July 13, 1949 in Rosemead, California, Rod and his wife, Barbara, reside in Tampa. The family includes daughters Christine (2/11/70) and Gina (8/8/81). Christine is married to Joe Barry, a linebackers coach at Northern Arizona University.

Tony Nathan
Running Backs Coach

11th NFL Season, 3rd with Buccaneers

The Buccaneers spent two high draft choices on running backs in Tony Nathan's first two years in charge of that position in Tampa Bay, and were pleased to see both make enormous contributions almost as soon as they pulled on their uniforms. Entering his third season as Tampa Bay's running backs coach, Nathan will again look to maximize the potential of RBs Mike Alstott and Warrick Dunn as well as this year's new addition at fullback, trade acquisition Lorenzo Neal.

Nathan, a versatile, pass-catching running back for nine seasons in a Miami Dolphin uniform, has helped mold Alstott and Dunn in that same fashion. Alstott and Dunn have led the team in receptions in the last two seasons, respectively, and the two combined for 1,643 rushing yards, 640 receiving yards and 17 touchdowns in 1997.

Nathan, in his 11th season as an NFL assistant coach, helped the Bucs improve from 22nd in the league in rushing in 1996 to 11th last year and will look to prompt further improvement out of his corps in 1998.

From 1988-95, Nathan was an assistant coach for the Dolphins. Initially hired by legendary Miami Head Coach Don Shula as a coaches' assistant, Nathan's responsibilities included breaking down game film and charting plays. In 1993, he was promoted to Miami's offensive backs coach. His coaching philosophy, which puts an emphasis on a back's ability to catch the ball as well as run with it, mirrors his own style during his playing days.

In 1995, Bernie Parmalee, formerly an undrafted free agent, led the Dolphins in rushing with 878 yards and nine TDs while Terry Kirby finished in the AFC's top ten in receptions. In 1993, Nathan's first season supervising the team's RBs, Kirby (75) and Keith Byars (61) combined for an NFL backfield-best 136 receptions which was also the highest total by two backs in Dolphin annals.

Nathan was a running back for Miami from 1979-87. He ranks fourth on the club's all-time list in rushing attempts (732), rushing yards (3,543) and receptions (383). He is also fifth in receiving yards (3,592), tied for ninth in scoring (198 points, 33 TDs), seventh in punt return yards (484) and ninth in kick return yards (1,133).

In 1981, Nathan was named the Dolphins' Most Valuable Player after leading the team in rushing with a career-high 782 yards and posting an NFL-best 5.3-yard rushing average.

Nathan played in Super Bowls XVII and XIX for the Dolphins when the team lost to the Washington Redskins and the San Francisco 49ers. Perhaps the single play Nathan is most remembered for occurred in one of the NFL's greatest games, a 41-38 OT playoff loss to San Diego on January 2, 1982. Nathan scored on a 25-yard run following a lateral from WR Duriel Harris on the famous "hook and ladder" play.

As a collegian, Nathan starred at Alabama from 1975-78. In both his junior and senior seasons, the Crimson Tide posted an 11-1 record, winning a national championship in 1978. In his Alabama career, Nathan rushed for 1,997 yards on 310 carries with 29 touchdowns. He gained 770 yards in the national championship season and ran for 127 yards in the Tide's 14-7 Sugar Bowl win over Penn State that clinched the title.

Born December 14, 1956 in Birmingham, Alabama, Nathan was a four-sport letterman at that city's Woodlawn High School. Tony and his wife, Johnnie, have three daughters including Francheria (7/8/80), Natalie (8/9/83) and Nadia (5/27/87).

KEVIN O'DEA
DEFENSIVE ASSISTANT COACH

5th NFL Season, 3rd with Buccaneers

Kevin O'Dea begins his third season as a defensive assistant on Head Coach Tony Dungy's staff. In his role with the Bucs, the 38-year-old O'Dea works closely with Defensive Coordinator Monte Kiffin in preparing game plans, breaking down film of opponents' tendencies and producing scouting reports.

O'Dea joined the Buccaneers after spending the 1994-95 seasons in a similar role with the San Diego Chargers under Head Coach Bobby Ross. In his first San Diego season, O'Dea worked with the linebackers, then was primarily involved with the defensive backs in 1995.

Prior to his stint in San Diego, O'Dea spent three years (1991-93) working for Joe Paterno at Penn State. In 1991, he was a graduate assistant coach working with the wide receivers before being promoted to assistant strength coach and also working with the defensive line (1992) and the linebackers (1993).

O'Dea also had a similar three-year stint at the University of Virginia from 1988-90. He began as a graduate assistant (defensive backs) for two years under Head Coach George Welsh before moving on to become the assistant strength coach in his final season with the Cavaliers. In 1987, O'Dea was the defensive backs coach at Cornell University.

After a four-year term in the Coast Guard from 1979-83, O'Dea enrolled at Lock Haven University. He played defensive back and wide receiver for the Bald Eagles from 1983 until suffering a back injury during the 1985 season. He helped out coaching the receivers for the remainder of the '85 campaign, then served as the team's receivers coach in 1986 while still a student at the school.

O'Dea earned his bachelor's degree in fitness management from Lock Haven and also has a master's in sports medicine from Virginia. A native of Williamsport, Virginia, he is single and lives in Tampa.

MIKE SHULA
OFFENSIVE COORDINATOR

11th NFL Season, 6th with Buccaneers

Mike Shula begins his third season as the Buccaneers' offensive coordinator. After spending 1997 overseeing the development of Pro Bowlers QB Trent Dilfer, RB Warrick Dunn, FB Mike Alstott and C Tony Mayberry, Shula is expected to orchestrate an even stronger offensive unit this year.

Shula's offensive scheme received a boost during the 1998 off-season when the Bucs acquired free agent receiver Bert Emanuel from the Atlanta Falcons. Emanuel's big-play abilities, coupled with the continued development of WR Reidel Anthony, WR Karl Williams and '98 second-round pick WR Jacquez Green, will provide Shula with perhaps the most solid pass-catching unit he has ever worked with.

Leading the Bucs' passing game will be fifth-year player Dilfer, who, under Shula's direction, set Tampa Bay records for touchdown passes (21) and consecutive passes thrown without an interception (152) in 1997, while finishing the year with the second highest single-season passer rating (82.8) in team annals. Shula will also enjoy the return of Alstott and Dunn, who helped produce the third-most rushing yards in Buccaneer history (1,934) last season.

The 33-year-old Shula joined the Bucs in 1996, marking the return to where he began his coaching career, after spending the 1993-95 seasons as tight ends coach of the Chicago Bears. During his stint in Chicago, he assisted Head Coach Dave Wannstedt and Offensive Coordinator Ron Turner with the planning and implementation of the Bears' game plans.

From 1991-92, Shula was a coaches' assistant for the Miami Dolphins. In that role, he worked not only with the coaching staff but also assisted the player personnel department in pro scouting.

He began his coaching career with the Buccaneers as the NFL's youngest assistant (23), working as a coach on Head Coach Ray Perkins' staff from 1988-90. In his first two seasons, Shula was an offensive assistant before being promoted to quarterbacks coach for the 1990 campaign.

A quarterback as a player, Shula was a 12th round draft choice of the Bucs in 1987, but was waived in the final cut. He was later re-signed and finished the season with Tampa Bay.

Shula was a three-year starter for Perkins at Alabama, completing 298 of 552 passes (54.0%) for 3881 yards, 33 touchdowns and 30 interceptions. He was a two-time All-Southeastern Conference selection and led the Crimson Tide to victories in the Aloha and Sun bowls in his final two seasons. As a junior, he became only the second Alabama QB ever to throw for over 2000 yards in a season (also Scott Hunter in 1969). Shula earned his bachelor's degree in labor relations from Alabama.

Born June 3, 1965 in Baltimore, Shula attended Columbus High School in Miami where he earned all-state honors and led his team to the state championship game as a senior. He is single and resides in Clearwater.

LOVIE SMITH
LINEBACKERS COACH

3rd NFL Season, 3rd with Buccaneers

The 1998 season marks Lovie Smith's third as the team's linebackers coach. Smith's group is led by three-time Pro Bowl MLB Hardy Nickerson and 1997 Pro Bowl WLB Derrick Brooks. Under Smith's direction in 1997, the linebacker corps played a key role in helping the Bucs defense finish the year ranked third in the NFC and sixth in the NFL against the run, while ranking best in the league inside the 20.

Smith's linebackers are expected to exhibit the same power in 1998. Nickerson, selected to his third Pro Bowl following the '97 season, enters the season 73 stops away from becoming the franchise's all-time leading tackler. His team-leading 194 stops in 1997 were closely trailed by Brooks, who racked up 182 en route to earning his first Pro Bowl trip. The dominating duo now own the top three spots on the Buccaneers' single-season tackle total list. Another Tough Road

One of the most remarkable aspects of the Buccaneers' breakthrough season in 1997 was that they forged their 10-6 record against one of the toughest schedules in the league. Tampa Bay's opponents compiled a .529 winning percentage in 1997, tied for the sixth-highest mark in the league.

It won't get any easier for Tampa Bay in 1998. The Buccaneers' '98 schedule has been ranked as the third toughest in the league (tied with Cincinnati), using last year's winning percentages. Only Pittsburgh and Chicago must face tougher opponents than the Bucs, whose combined mark in 1997 was 138-116-2 (.543). Of the Bucs' 16 regular-season games, nine are against fellow 1997 playoff participants and four are against division winners.

Costello brings to the Buccaneers a strong background in corporate communications and a tremendous knowledge of the Central Florida region.

With the opening of Tampa's new stadium, Buccaneer fans will witness a new level of luxury services to enhance the game experience. Costello, who coordinated the sale of suites and club seats in 1997, assumed responsibility for luxury and guest services in 1998.

Costello, a native of Hollywood, Fla., was one of the first senior executive staff members hired by the Glazer family during their restructuring of the front office following the 1996 season, and is one of only four female senior club executives in the NFL.

She comes to the Bucs from Tucker/Hall Incorporated, a Tampa-based corporate communications company where she was senior vice president of public affairs for five years. Her main focus at Tucker/Hall was corporate positioning, grassroots marketing strategies, and government relations.

Prior to that, Costello was vice president of public affairs for Hill and Knowlton Incorporated based in Tampa and Washington, D.C. She gained extensive knowledge and experience of the Tampa Bay market between 1987 and 1990 as District Representative for U.S. Senator Bob Graham.

Before coming to the Buccaneers, Overton spent four years (1986-89) as the Director of Sales and Promotions for Tampa's Hall of Fame Bowl. Those duties included generating sponsorship activity and creating various promotional activities. After the 1997 season, Roberts and his staff received the Rozelle Award from the Professional Football Writers of America, an annual award given to the league's top public relations/communications staff. It marked the first time the Buccaneers' staff has received this honor.

During seven seasons with the League office, Roberts was the public relations director and primary league office contact for the 15 NFC teams. He coordinated media operations at seven NFC Championship Games, seven Super Bowls (XXV-XXXI), and three Tokyo American Bowls in Tokyo, Japan. JAVELINA PIPELINE

In 1997, one college had four of its alumni on the Buccaneers' roster, with a fifth on the team's practice squad. That NFL factory was not Notre Dame, USC or Ohio State, or even local favorites Florida, Florida State or Miami; the most common alma mater of the 1997 Buccaneers was the relatively obscure Texas A&M-Kingsville, a school of 6,000 students 100 miles north of the Rio Grande.

There were only ten Javelinas in the pro ranks in 1997. Amazingly, that means half of the Kingsville products who made it to the NFL last year ended up in a Buccaneer uniform. For the record, those proud Javelinas are: G Jorge Diaz, C Kevin Dogins, WR Karl Williams and CB Floyd Young, plus practice-squad member and sixth-round 1997 draft choice CB Al Harris.

Immediate Impact

How much impact will the draft class of 1998 have on the Buccaneers' roster this season? While a 10-6 record in 1997 may indicate little room for new players, Head Coach Tony Dungy has used rookies liberally in his first two seasons at the helm.

Last season, all seven of the Bucs' first through fifth-round draft picks spent the entire season on the active roster, and nine of the 10 1997 draft choices are back for the 1998 training camp. Rookies RB Warrick Dunn, WR Reidel Anthony, T Jerry Wunsch, G Frank Middleton, LB Alshermond Singleton and TE Patrick Hape combined to make 28 starts and accounted for 55.0% of the team's rushing yards, 36.2% of the receptions and 34.5% of the touchdowns.

In 1996, four of the team's nine draft choices were starters as rookies, as DE Regan Upshaw, FB Mike Alstott, CB Donnie Abraham and T Jason Odom combined for 51 starts.

GAME ONE
SUNDAY, AUGUST 31
TAMPA BAY 13, SAN FRANCISCO 6
HOULIHAN'S STADIUM

The Tampa Bay Buccaneers defeated the San Francisco 49ers for the first time in 17 years and in the process became the first team to hold the Niners without a touchdown since 11/10/91. Led by inspired DT Warren Sapp, the Buccaneer defense set the tone early, holding the 49ers to a pair of field goals in the first half. The San Francisco offense was slowed by the loss of QB Steve Young on its first drive due to a concussion suffered while being sacked by Sapp. Pro Bowl WR Jerry Rice went down in the next quarter when he sustained a knee injury while being tackled by Sapp on an unsuccessful reverse. Still, the Buccaneer offense couldn't find the end zone and San Francisco went into the intermission with a 6-0 lead. In the second half, the Buccaneer defense buckled down even further, holding the 49ers to just 45 yards in the last two periods. Four of the Bucs' seven sacks came in the second half as Tampa Bay put up its top sack total since 10/18/87. In the third quarter, QB Trent Dilfer hit WR Karl Williams with a 55-yard pass down to the San Francisco 20. Though that scoring chance was fumbled away at the four-yard line, the Bucs' defense kept the Niners pinned down by their goal line and wound up with good field position following San Fran's punt. A 45-yard Michael Husted field goal followed, closing the gap to 6-3 heading into the final 15 minutes. Tampa Bay then took the lead early in the fourth period on a one-yard Dilfer-to-TE Dave Moore toss, capping a 52-yard drive that was mostly the work of second-year FB Mike Alstott. Alstott's work included a 26-yard reception, a six-yard run to the 49ers' 15 and a 14-yard catch-and-run down to the one. The Bucs' lead was a slim three points with nine minutes to play, but Tampa Bay got the ball back in short order when Young, who re-entered the game for the final quarter, was sacked by LB Hardy Nickerson on first down and intercepted by CB Tyrone Legette on second down. Husted's 34-yarder followed, giving the Bucs a 13-6 lead. On San Francisco's next possession, Young was sacked twice more and the 49ers were forced to punt. Tampa Bay then ran most of the last 4½ minutes off the clock thanks to the power running of Alstott.

GAME TWO
SUNDAY, SEPTEMBER 7
TAMPA BAY 24, DETROIT 17
PONTIAC SILVERDOME

Signalling a new-found competitiveness on the road, the Bucs' jumped out to a 17-0 lead over the Lions in the Silverdome and held on for a 24-17 victory. Rookie RB Warrick Dunn earned his first 100-yard rushing game, but it was the Buccaneer defense that set the early tone. S Charles Mincy intercepted Lion QB Scott Mitchell's second pass of the game, giving the Bucs possession at the Lions' 37. Dunn's 16-yard run on the next play set up PK Michael Husted's 41-yard field goal. The Bucs took possession again just two minutes later and embarked on a 71-yard drive that concluded in rookie TE Patrick Hape's first career score on a one-yard pass from QB Trent Dilfer. The drive, however, was mostly the work of Dunn again, who took a handoff up the middle, broke outside and ran 49 yards down to the Lions' nine. Detroit did get close enough for a 52-yard field goal drive in the second quarter, but when PK Jason Hanson missed, Tampa Bay turned the resulting field position into a 58-yard TD drive. After a five-yard penalty, all 53 yards were gained on the ground, 40 by Dunn, 11 by Dilfer and two by FB Mike Alstott. Dunn finished it, dipping under Lion tacklers for a six-yard touchdown run. DT Warren Sapp snapped the Lions' next drive with a sack of Mitchell, but Detroit got the ball back once more and posted a 40-yard field goal drive just before halftime.

Detroit struck first in the second half on the strength of a big play. On the team's second possession, Mitchell threw a deep sideline pass to WR Johnnie Morton that Buccaneer CB Anthony Parker attempted to intercept but managed only to tip to Morton. The Lion receiver took the catch 73 yards down the sideline for a touchdown to make the score 17-10. Each team then punted twice before Tampa Bay took over at its own 29-yard line. WR Karl Williams hauled in an 18-yard catch on third-and-six despite a hard hit, then WR Horace Copeland induced a 45-yard pass interference on rookie CB Bryant Westbrook three plays later. The Bucs were given possession on the one-yard line and FB Mike Alstott barreled in two plays later for a touchdown. After LB Derrick Brooks broke up a Mitchell pass on the next possession and forced a punt, Alstott killed most of the remaining clock time by running six consecutive times before a Tommy Barnhardt punt. The Lions did manage to turn the final few minutes into another score, thanks to a phenomenal play by the sublime Barry Sanders. Held in check for most of the game and limited to just 20 rushing yards, Sanders took a short pass on fourth-and-12 and eluded tackler after tackler for a 66-yard score. All but 15 seconds were extinguished from the clock, however, and the Bucs left with a seven-point win.

GAME THREE
SUNDAY, SEPTEMBER 14
TAMPA BAY 28, MINNESOTA 14
HUBERT H. HUMPHREY METRODOME

For the second straight week, Tampa Bay's running attack was potent on indoor road turf as RB Warrick Dunn's 101 yards led a 191-yard outburst. The Bucs again jumped off to an early lead, though Minnesota scored first on a 25-yard field goal by PK Greg Davis. That drive was built on a 56-yard pass from QB Brad Johnson to WR Jake Reed, a toss that was answered minutes later by Buc WR Horace Copeland's 49-yard catch. Positioned at the Viking nine-yard line by that reception, the Bucs scored two plays later when TE Jackie Harris hauled in QB Trent Dilfer's five-yard toss. S John Lynch stopped Viking RB Robert Smith for a five-yard loss on the Vikings' next drive, leading to a punt and a Buc drive that started at their own 15. The resulting march showcased all the skills that FB Mike Alstott brings to the NFL. To position the Bucs for a score, Alstott caught two passes and ran twice for 28 yards to get the Bucs down to the one. From there, he provided one of the season's most amazing highlights, scoring on a third-effort one-yard TD run in which he bounced off a failed dive over the middle, faked out one Viking defender and bowled backwards over two more for the score. Tampa Bay pumped its lead up to 21-3 in the third quarter when it took its opening possession 72 yards for a touchdown. Dilfer connected with rookie WR Reidel Anthony on a 28-yard pass, then finished the drive with a 27-yard scoring strike to WR Horace Copeland that Copeland hauled in despite pass interference on the Viking defender. The Vikings scored next, but only three points as a 75-yard march ended in Davis' 24-yarder. Minnesota punched into Buc territory on their next drive, too, but LB Jeff Gooch forced WR Cris Carter to fumble and S John Lynch recovered at the Tampa Bay 25. The Bucs' resulting drive appeared to be in trouble at their own 48, as the team faced a third-and-seven, but Dunn took a delayed handoff into the middle, eluded several tacklers and broke it outside for a 52-yard TD run. Though the next two possessions by a desperate Viking squad produced nothing, the team's final possession in the last two minutes finished with a 30-yard Johnson-to-Carter TD pass. Despite a Viking two-point conversion, the Bucs walked away with a two-touchdown win.

GAME FOUR
SUNDAY, SEPTEMBER 21
TAMPA BAY 31, MIAMI 21
HOULIHAN'S STADIUM

The Bucs continued their offensive surge with a 357-yard outing against the Dolphins during a nationally-televised Sunday night outing, moving to 4-0 with a 31-21 victory. RB Warrick Dunn followed his two 100-yard rushing games with a 100-yard receiving game (6-106), while FB Mike Alstott took over the rushing load with 95 yards on 18 carries. After forcing three straight Dan Marino incompletions, the Bucs took over on the Dolphins' 49 thanks to a 25-yard punt return by WR Karl Williams. QB Trent Dilfer hit Dunn on a 21-yard sideline route, then followed a few plays later with a three-yard scoring pass to Alstott. On the last play of the quarter, Tampa Bay took off on a longer drive that included similar components: a 23-yard reception by Dunn and a one-yard TD reception by Alstott. The score was set up by a 13-yard reception by Williams on third-and-seven that put the Bucs at the one-yard line. Miami used the remainder of the second quarter's clock for an extended drive, covering 85 yards in seven minutes as Marino hit WR O.J. McDuffie on four passes for 37 yards including a 10-yard scoring pass. Tampa Bay recaptured control of the game in the third quarter by scoring the next 10 points, including an opening-drive 70-yard march for a field goal. The biggest play of the drive was a 41-yard pass interference call by CB Terrell Buckley drawn by WR Horace Copeland, leading to a 22-yard chip shot by PK Michael Husted. On the ensuing kickoff, RB Irving Spikes fumbled the kick then picked up the ball and raced all the way to the Dolphins' 43. That return led to a 47-yard field goal try by PK Olindo Mare, but DT Jason Maniecki got a piece of the kick, preserving the Bucs' 17-7 lead. Four plays later, Dilfer hooked up with WR Reidel Anthony on a 38-yard pass that resulted in the rookie receivers' first career touchdown and a 24-7 lead. The Dolphins, though, had awoken on offense and a 71-yard touchdown march followed, mostly on the strength of two Marino passes to TE Troy Drayton for a total of 34 yards. Miami appeared to be in position to regain control of the ball a few minutes later when they forced Tampa Bay into a desperate third-and-29. Dunn solved that quandary by taking a short screen pass and weaving 58 yards for a touchdown. The Dolphins added another touchdown on an 80-yard march when Marino passed on 10 of 13 downs, including a one-yard scoring toss to WR Fred Barnett, but Alstott then ran four straight times for 22 yards to kill the clock. Remarkably, the Bucs did not punt once during the game, only the second time in team history that had happened. In addition, Dilfer turned in his first career four-touchdown performance while not being sacked once.

GAME FIVE
SUNDAY, SEPTEMBER 28
TAMPA BAY 19, ARIZONA 18
HOULIHAN'S STADIUM

The Buccaneers equaled the best start in franchise history by winning their fifth straight game despite losing in most statistical categories. Tampa Bay was outgained 364 to 147 total yards, but managed to sack QB Kent Graham six times (three by DT Brad Culpepper) and intercept two of his passes. The Bucs' special teams made the difference in the game, beginning with the opening score courtesy of rookie LB Alshermond Singleton. Singleton blocked a punt by Jeff Feagles, scooped up the bounding ball and raced 28 yards for the game's first touchdown, followed by an unsuccessful extra point try. Culpepper ended the Cardinals' next drive with an eight-yard sack on third down, but Arizona's next possession reached into Buccaneer territory in the second quarter. After the Bucs stopped the Cardinals at the 37-yard line, Arizona lined up for a 54-yard field goal attempt but suddenly shifted into an offensive formation and tried to get the yard on a handoff to massive DT Eric Swann, only to have Swann stopped and forced to fumble by LB Hardy Nickerson. Just a few minutes later, the Bucs responded with more successful special teams trickery as P Tommy Barnhardt completed a 25-yard pass to S Tony Bouie on a fake punt. That resuscitated a drive that ended in rookie WR Reidel Anthony's second touchdown in as many games, this one on an eight-yard reception on third down. The Bucs went for two on the conversion but were thwarted on a Mike Alstott run up the middle. On the following drive, Graham kept a drive alive with two third-down completions, including a 28-yarder to WR Rob Moore on a scramble, leading to a 21-yard Graham-to-Moore scoring hook-up. Trailing by just five, the Cardinals quickly got the ball back but were just as quickly halted by consecutive sacks by Culpepper and DT Warren Sapp. In the third quarter, the Cards pulled within two points on their first possession by driving 61 yards for a field goal on the strength of a 41-yard Moore reception. Later in the period, Arizona took the lead thanks to its defense, as All-Pro CB Aeneas Williams anticipated a short third-down pass by QB Trent Dilfer and dashed in front of it for an interception and a 42-yard touchdown return, followed by a two-point conversion. The Buccaneers could get nothing started on their next two drives, but were given another chance by S John Lynch's interception at the Cardinals' 35. On fourth-and-six, Dilfer found WR Karl Williams on a short crossing route that turned into a 31-yard touchdown and the winning points. DE Chidi Ahanotu killed the next Cardinal drive with an 11-yard sack, but Arizona had one more chance and drove close enough for a 47-yard field goal attempt by PK Kevin Bulter. Butler missed, short and to the right.

GAME SIX
SUNDAY, OCTOBER 5
GREEN BAY 21, TAMPA BAY 16
LAMBEAU FIELD

After an amazing 5-0 start that marked the franchise's best since 1979, the Tampa Bay Buccaneers suffered their first loss of the season at the hands of the defending Super Bowl champion Green Bay Packers. The Bucs showed signs of a newfound strength, however, with a second-half comeback that brought them within one touchdown of upsetting the Pack in their own house. After halting the Packers' opening drive, Tampa Bay marched 63 yards down the field to score the first points of the game, a 23-yard field goal. But the rest of the first half belonged to the Packers, who scored all 21 of their points in the second quarter. In the final seconds of the first period, Green Bay CB Tyrone Williams forced a RB Warrick Dunn fumble that the Packers recovered on the Bucs' 35-yard line. This allowed Packers QB Brett Favre to throw his first TD pass of the day three plays later, a 31-yarder to WR Antonio Freeman. A second Buc turnover resulted in the Packers' second touchdown, when 295-pound DL Gabe Wilkins rumbled 77 yards for a score on an interception return. Wilkins had picked off a short screen pass intended for FB Mike Alstott and taken off in the other direction, leaping over an attempted tackle by QB Trent Dilfer in the process. The Packers took a 21-3 lead into the locker room at the half after they were able to sustain their only significant drive of the period, a 50-yarder that ended in a 6-yard Favre-to-Freeman TD pass. Just when the 18-point deficit looked overwhelming, however, the Bucs came back and forced a 13-0 second-half shutout at Lambeau. The defensive unit forced Green Bay to punt four times and the special teams blocked a third-quarter field goal attempt. Rookie RB Warrick Dunn ignited the Buccaneers offense with an 18-yard run that helped set up Tampa Bay's first touchdown of the day, a one-yard leap into the end zone by FB Mike Alstott. Additionally, his 44-yard run in the final period helped set up his own 2-yard TD run, bringing the Bucs within striking distance. Tampa Bay had one more solid chance at the comeback, but were turned away at the Green Bay 48-yard line when a fourth-and-six pass to Dunn fell incomplete.

GAME SEVEN
SUNDAY, OCTOBER 12
DETROIT 27, TAMPA BAY 9
HOULIHAN'S STADIUM

The Buccaneers fell victim to Detroit RB Barry Sanders, as the eight-time Pro-Bowler dashed 215 yards through the hands of Tampa Bay defenders and scored all three Detroit touchdowns during the Lions' 27-9 besting of the Bucs. The Lions accumulated an explosive 447 yards on offense, most of which came from 80- and 82-yard Sanders runs. After forcing the Lions to punt on their opening series, the Bucs sustained a 51-yard drive behind the powerful running of FB Mike Alstott and capped it off with a 25-yard field goal. That lead dissipated quickly, however, when Sanders took the ball 80 yards down the field for a score midway through the opening period. It seemed the Bucs would not be intimidated when rookie RB Warrick Dunn nearly matched Sanders' play by catching a mid-range pass on third-and-10 and turning it into a 59-yard scoring play on the following series. The Buccaneers were able to sustain their two-point lead throughout the second quarter, until the Lions intercepted a QB Trent Dilfer pass, moved the ball 41 yards, and kicked a 34-yard field goal during the final seconds of the half. Detroit's first big play of the second half was again courtesy of Sanders. With his 82-yard TD run up the right sideline during the third quarter, he became the first player in NFL history to score on two running plays of over 80 yards in the same game. LB Derrick Brooks saved another potential Lions score by forcing Sanders to fumble on the Bucs' three-yard line where S John Lynch recovered. Unfortunately for the Bucs, any momentum gained by that play slipped away shortly thereafter with a 40-yard punt return by Glyn Milburn that set up another Lions' field goal, and WR Herman Moore's 79-yard catch that led to a seven-yard TD reception by Sanders.

GAME EIGHT
SUNDAY, OCTOBER 26
MINNESOTA 10, TAMPA BAY 6
HOULIHAN'S STADIUM

After its offense came up short during the previous week's loss to the Detroit Lions, the Tampa Bay Buccaneers were not pleased to find the unit struggling again against the Vikings. The first half of the contest proved to be a defensive battle, as neither team made a mark on the scoreboard. In the second half, however, the Vikings' offense and special teams managed to record a few more game-turning plays than the Bucs, allowing Minnesota to win by a narrow four-point margin. Neither team was able to enter the others' 'red zone' in the first quarter, but the Buccaneers' defense gained some momentum for the team by halting a Vikings drive. Minnesota reached the Tampa Bay 34-yard line with their second possession of the game, but were forced back when DT Warren Sapp dropped QB Brad Johnson for a 10-yard loss on third-and-goal from the six. The Vikings attempted a field goal, which sailed wide right after bouncing off the right goal post. Minnesota ended up scoring first, with a 75-yard, seven-minute drive that ended with a third-quarter field goal. The Vikings were forced to settle for the three-pointer after LB Hardy Nickerson stopped RB Leroy Hoard on third-and-three from the 11-yard line. Minnesota made the game's biggest play shortly thereafter when RB David Palmer returned a Sean Landeta punt 57 yards to the Bucs' eight. Three plays later, the Vikings increased their lead to 10-0 on a one-yard run by FB Charles Evans that was ruled a touchdown amid some dispute. The Bucs fought back on their next possession, marching 77 yards in just nine plays. QB Trent Dilfer came up big, hitting rookie WR Reidel Anthony with a 30-yard pass and TE Dave Moore with a 28-yarder during the drive. Anthony got the ball in the end zone on a two-yard catch on third-and-goal, however the PAT was no good and the Bucs remained down by four. The Bucs drove most of the way down the field on their final drive in the last two minutes, aided by Anthony's 19-yard catch on fourth-and-15. The clock ran out on Tampa Bay's last chance, however, and a final desperation pass fell incomplete in the end zone.

GAME NINE
SUNDAY, NOVEMBER 2
TAMPA BAY 31, INDIANAPOLIS 28
RCA DOME

The Buccaneers snapped a three-game losing skid, the team's longest winning drought of the season, with an emotionally draining 31-28 victory over the Indianapolis Colts at the RCA Dome. The win improved Tampa Bay's non-division record to a perfect 4-0 and marked the third time this season that QB Trent Dilfer had to rally the Buccaneer offense in the fourth quarter. Dilfer completed seven of his final nine passes, marching the team to two scoring drives in the final 10 minutes. Tampa Bay capitalized early, converting a muffed C Jay Leeuwenburg to QB Paul Justin shotgun exchange on Indy's third offensive play of the game into a one-yard touchdown leap by fullback Mike Alstott five plays later. The Colts came back with a field goal on the next series and went ahead 10-7 a few moments later on a RB Marshall Faulk four-yard touchdown run in the opening moments of the second quarter. A 63-yard punt return by Karl 'The Truth' Williams following Indianapolis' next offensive series set the Buc offense up at the Indy nine-yard line. Three plays later, Dilfer connected with tight end Dave Moore on a two-yard TD toss to give Tampa Bay a slim 14-10 lead. However, that was not to be the only Buc score of the quarter, as the offensive unit orchestrated a masterful 70-yard scoring drive that culminated with a six-yard Dilfer-to-Williams touchdown toss for a 21-10 Buc half-time advantage. The third quarter, however, belonged to the Colts who scored 11 unanswered points to even the game at 21. The fourth quarter got off to an ominous beginning when an Alstott fumble at the Buccaneer 18-yard line was picked up and run in by Indy SS Robert Blackmon for an apparent go-ahead touchdown. From there it was all Tampa Bay as Dilfer again directed another long 80-yard drive resulting in a second touchdown score to Williams, this time from 24-yards out. With the game deadlocked at 28 and seemingly headed for overtime, Williams came to the rescue once more, putting the finishing touches on his best day as a pro with a crucial 21-yard punt return to the Colts' 45-yard line. With just :52 remaining, Dilfer connected on three straight passes of 12, nine and six yards to set up PK Michael Husted's game-winning 36-yard field goal with just :11 remaining.

GAME TEN
SUNDAY, NOVEMBER 9
TAMPA BAY 31, ATLANTA 10
GEORGIA DOME

The Buccaneers returned to early-season form with a 31-10 drubbing of the Atlanta Falcons, just one week after pulling out a thrilling last-second road victory at Indianapolis. Tampa Bay used a three-pronged attack by its offense, defense and special teams to secure the victory and improve its record in domes to 4-0. The special teams drew first blood on the Bucs' first punt of the game with long-snapper Dave Moore forcing a fumble by Atlanta return man Todd Kinchen that was recovered by fellow Buc LB Shelton Quarles at the Buccaneer 48-yard line. Two plays later, FB Mike Alstott showed why he is the premier player at his position, bouncing off a tackle inside and bursting around the right side for a spectacular 47-yard touchdown jaunt, the longest of his career. After a 68-yard Atlanta scoring march that culminated in a QB Chris Chandler to WR Bert Emanuel 30-yard scoring strike, the Buccaneers again asserted themselves reeling off the game's next 10 points. QB Trent Dilfer took the team down the field on a 73-yard drive that was highlighted by a short toss to RB Warrick Dunn out of the backfield which the amazing rookie turned into a 24-yard score. A meager 21-yard effort by Falcons punter Dan Stryzinski on the ensuing Atlanta series set up Bucs PK Michael Husted for a season-best 54-yard field goal and a 17-7 halftime advantage. Atlanta opened up the third quarter with a 63-yard march that resulted in a 34-yard Morten Andersen field goal. Tampa Bay then proceeded to drain 8:19 off the clock in the third quarter while driving 81 yards on the strength of three third-down conversions, including a 14-yard scoring hookup between Dilfer and Moore that put Tampa Bay up 24-10. In the fourth quarter, Tampa Bay forced yet another Kinchen punt muff that resulted in a Quarles recovery. Dunn then closed out the scoring on a 30-yard run up the middle. Defensive tackle Brad Culpepper put the finishing touches on his dominating three-sack performance to help short circuit the Falcons' next drive. After the Buc offense managed a pair of first downs to kill more time off the clock, Atlanta's final series ran out of time for the 31-10 final.

GAME ELEVEN
SUNDAY, NOVEMBER 16
TAMPA BAY 27, NEW ENGLAND 7
HOULIHAN'S STADIUM

Tampa Bay made it three straight wins with a dominating 27-7 dispatching of the former AFC Champion New England Patriots in a game that sold out prior to the season opener. In a game that was highlighted by a special performance by the Buccaneer defense, the Patriots' vaunted high-powered offensive attack was grounded, managing under 100 total yards until a 75-yard drive in the game's final two minutes. Regardless, Tampa Bay finished with a commanding 343-168 advantage in net yards and kept the Patriots without a first down until 11 minutes remained in the third quarter. New England QB Drew Bledsoe spent much of the day running for his life, getting dropped five times. Tampa Bay jumped out to a quick 7-0 first quarter advantage following a 70-yard drive which featured a 25-yard pass completion to tight end Jackie Harris and later a 16-yard connection with his understudy Dave Moore to set up a one-yard run by RB Errict Rhett. Although not resulting in a score, the Bucs' next drive was an impressive sight. Seventy-nine yards and 9:26 off the second-quarter game clock resulted in a turnover on downs at the New England one-yard line when QB Trent Dilfer's pass to WR Karl Williams fell incomplete. Tampa Bay would score once more prior to the half when PK Michael Husted drilled a 44-yard field goal. The third quarter proved to be much of the same for the two teams as Tampa Bay forced a quick three-and-out series and a short New England punt. A few plays later, Moore hauled in a tight seven-yard frozen rope from Dilfer to put Tampa Bay up 17-0. The scoring ceased until the fourth quarter when CB Donnie Abraham picked off a Bledsoe pass at the Patriot 21-yard line to set up a one-yard plunge by FB Mike Alstott. The following series, LB Derrick Brooks intercepted another Bledsoe pass to set up an eventual 44-yard Michael Husted field goal. Yet another New England drive was snuffed out when DT Warren Sapp sacked Bledsoe and forced a fumble recovered by line mate Jason Maniecki. New England finally scored on a 75-yard QB Scott Zolak-led drive in the final two minutes to narrowly avert the shutout.

GAME TWELVE
SUNDAY, NOVEMBER 23
CHICAGO 13, TAMPA BAY 7
SOLDIER FIELD

The Bucs hoped to end a franchise record of struggles in Chicago, but received a determined fight from a 1-10 Bears team. Tampa Bay essentially lost the game with a pair of first-quarter turnovers, surrendering a 10-0 lead in the first quarter after two fumbles. The Bucs' very first play from scrimmage started the troubles when FB Mike Alstott fumbled and CB Walt Harris recovered. QB Erik Kramer scrambled around left end for 31 yards three plays later, setting up RB Raymont Harris' two-yard touchdown run. The Bucs did not fare much better with their next possession as WR Horace Copeland caught QB Trent Dilfer's first pass on second down but fumbled after a six-yard gain. Harris forced this turnover and LB Barry Minter recovered, leading to a short Chicago drive ending in a 32-yard Jeff Jaeger field goal. As the second quarter began, the Bucs took off on a drive that reached Bear territory thanks mostly to a 39-yard Dilfer pass to TE Jackie Harris. However, PK Michael Husted's subsequent 50-yard field goal attempt fell short. The Bears followed with a field goal drive of their own, eating seven minutes off the clock with a 53-yard march before Jaeger nailed a 25-yarder. Tampa Bay moved into Chicago territory again on its next drive when Dilfer hooked up with WR Karl Williams on a 37-yard pass, but a holding penalty erased an Alstott reception down to the five and DE Carl Simpson sacked Dilfer on the next play, forcing a punt. Tampa Bay finally capitalized on a scoring drive in the third quarter when Dilfer zipped a 12-yard touchdown pass to rookie WR Reidel Anthony on a quick slant-in route. That pass finished off a 69-yard drive that saw the benefit of consecutive personal fouls by the Chicago defense. After the Bears' next drive stalled, the Bucs took off on another drive into the Bears' side of the field but Husted misfired on a 40-yard attempt. The Bears then methodically drained five of the remaining eight minutes off the clock behind the running of Harris before punting down to the Bucs' 16. Dilfer threw a 21-yard pass to WR Robb Thomas and ran for 13 yards on the next snap, but the Bucs' drive ended just past midfield when Alstott caught a short pass on fourth-and-two but was able to blast for just one yard.

GAME THIRTEEN
SUNDAY, NOVEMBER 30
TAMPA BAY 20, NEW YORK GIANTS 8
GIANTS STADIUM

The Buccaneers rebounded strongly from their surprising loss in Chicago, winning in New York for the first time in 10 tries. Rookie RB Warrick Dunn ground out 120 yards on 24 carries, FB Mike Alstott scored one touchdown each in the running and passing games and the Buc defense contributed two crucial interceptions and held the Giants to just 202 total yards. The Giants' opening drive moved quickly into field goal range, but a delay of game penalty before the kick attempt contributed to Brad Daluiso's miss from 47 yards. The Bucs threatened late in the first quarter, but a third-down pass from QB Trent Dilfer bounced through WR Karl Williams' hands and into those of CB Phillippi Sparks. Though Sparks ran the pick far down the left sideline, Dilfer cut him off at the Bucs' 27 and the New York scoring threat was ended when LB Derrick Brooks dove for a pick of his own. At the beginning of the second quarter, Dilfer attempted a long pass over the middle to Williams, but Sparks made a leaping interception at the New York 32. CB Donnie Abraham continued the turnover tradeoff minutes later when he snared Kanell's pass at the Bucs' 44. Dilfer then hooked up with Dunn on a 53-yard catch-and-run, setting up Alstott's one-yard TD reception. New York had the only other score of the first half when a Dilfer pass went through WR Robb Thomas' hands and appeared to hit the ground before S Tito Wooten scooped it up and raced 53 yards to set up a 45-yard Daluiso field goal. Tampa Bay quickly took control in the second half with an 84-yard TD drive. Dunn ran four times for 22 yards to kickstart the drive, followed by a 42-yard pass interference penalty on CB Jason Sehorn. On the next play, Alstott plowed through several defenders to score a nine-yard TD. Seemingly in control, the Bucs saw the Giants climb back into the game in a three-minute span over the third and fourth quarters when a 30-yard Daluiso field goal was followed by a Buccaneer safety. The Giants got those two points when Dilfer was called for intentional grounding after throwing a pass away from the Bucs' end zone. The resulting Tampa Bay kickoff gave the Giants possession at their own 44, but their go-ahead drive attempt was thwarted at the Bucs' 47 when S John Lynch nailed RB Tyrone Wheatley in the backfield on a fourth-and-one rushing attempt. Tampa Bay ran the next five minutes off the clock with a clinching scoring drive, moving 52 yards behind the running of Dunn and Alstott before RB Errict Rhett finished with a one-yard TD carry. The Bucs went for two on the conversion but failed. The Giants' last drive was kept alive by a three-yard scramble up the middle by Kanell on fourth-and-one, but Kanell's subsequent passes were broken up by Brooks and Abraham and the Bucs forced a Giants' punt. Tampa Bay's running game finished the job by draining the last five minutes off the clock.

GAME FOURTEEN
SUNDAY, DECEMBER 7
GREEN BAY 17, TAMPA BAY 6
HOULIHAN'S STADIUM

In a contest that promised either an NFC Central championship to the Packers or a guaranteed playoff berth to the Buccaneers it was Green Bay that realized its goal in a 17-6 defensive struggle. Tampa Bay was outgained 362-161 in total net yards, but a ball-hawking Buc defense kept the game close through the first half. Tampa Bay scored first after S John Lynch forced TE Mark Chmura to fumble on the Packers' first play from scrimmage. LB Hardy Nickerson recovered and, three plays later, PK Michael Husted drilled a 24-yard field goal. The Packers took the lead, however, on their third possession of the quarter, set up by Mike Alstott's fumble. Starting at the Bucs' 36-yard line, Green Bay scored on its second play when a scrambling Brett Favre fired a 43-yard TD pass to WR Robert Brooks. The Bucs would post the only other score of the first half in the next period, thanks again to a turnover. S John Lynch redirected an overthrown Favre toss and the Bucs took over at the Pack's 30. The Bucs failed to move the ball, but Husted succeeded on a 48-yarder to reduce the halftime margin to one, 7-6. However, QB Trent Dilfer suffered a badly sprained right ankle on the play just before Husted's field goal and was taken to the locker room. Dilfer returned to play in the second half, but two long Packer drives spelled doom for Tampa Bay, beginning with a 10-play, 73-yard march in the third quarter. Keyed by a 20-yard Favre-to-Chmura relay, the drive ended with another scrambling Favre throw, this one an eight-yarder to RB Dorsey Levens. With Dilfer struggling on his drop-backs, the Bucs moved to midfield on their next drive but were forced to punt, pinning the Packers at their own three. That potentially dangerous situation for the Packers turned around when Favre drove his team 88 yards for a clinching field goal. Chewing 10 minutes off the clock, Favre got the ball to Levens on handoffs or passes nine times for a total of 50 yards before PK Ryan Longwell's 27-yard kick. QB Steve Walsh relieved Dilfer in the fourth quarter, but a Buccaneer drive that reached Green Bay's 31 ended in an interception by S Mike Prior.

GAME FIFTEEN
SUNDAY, DECEMBER 14
NEW YORK JETS 31, TAMPA BAY 0
MEADOWLANDS

The Buccaneers' worst Sunday of 1997 came at the hands of a Jets team desperate for a win to remain in the AFC playoff picture. Little went well for the Bucs who, despite a solid defensive unit that gave up just 234 yards and no scoring drives of over 24 yards, surrendered their highest point total of the year and scored their lowest. The Bucs actually turned in the first big play of the game when CB Anthony Parker intercepted QB Neil O'Donnell's first pass of the game, but Tampa Bay was unable to gain a first down following the turnover. With 1:05 remaining in the first quarter, the Jets struck first with a 32-yard field goal set up by a short Sean Landeta punt into a 22-mph wind. Landeta's next try was blocked by S Raymond Austin, but the Buccaneer defense thwarted New York's efforts to capitalize by shutting down RB Leon Johnson on a fourth-and-one run at the Bucs' 10. However, the Jets scored moments later when an on-target pass by QB Trent Dilfer bounced sideways out of WR Horace Copeland's hands into those of CB Otis Smith, who returned the pick 45 yards for a touchdown. That scenario was unfortunately repeated five minutes later when Smith jumped in front of another Dilfer offering and returned it 51 yards for another score. Any hopes for a second-half momentum switch vanished quickly when RB Leon Johnson returned the opening kickoff 101 yards for a touchdown. The situation quickly worsened for Tampa Bay after the following chain of events: a penalty on the kickoff return that put the Bucs at their own eight, three offensive plays for a total of one yard and a 23-yard punt return to the Bucs' 24. The Jets covered that distance in four plays, culminating in a seven-yard TD run by RB Adrian Murrell. Dilfer, struggling through a sprained right ankle suffered the week before, was replaced by Walsh in the second half of the third quarter, but the Bucs' offense was able to get little going beyond the 88 rushing yards and 22 receiving yards posted by rookie RB Warrick Dunn. Neither team scored in the fourth quarter.

GAME SIXTEEN
SUNDAY, DECEMBER 21
TAMPA BAY 31, CHICAGO 15
HOULIHAN'S STADIUM

In a near carbon copy of the Buccaneers' 1996 season finale, Tampa Bay built an early first-half lead thanks in part to an outstanding special teams play, then used a strong running game to finish up a rout of the Chicago Bears. The Buccaneer running game produced 183 yards, including 153 in the second half, largely on the legs of rookie RB Warrick Dunn. On the Bucs' second possession, QB Trent Dilfer sustained an impressive drive by converting three straight third-and-long situations with two passes of 17 yards each to WR Karl Williams and one 16-yard toss to TE John Davis. Dilfer then finished the drive himself by scrambling seven yards into the end zone for his first rushing touchdown of the year. On the final play of the opening period, Williams turned in perhaps the most exciting special teams play in team history, weaving and spinning out of multiple tackles to record a 61-yard punt return touchdown. It was the second punt return TD of Williams' career and only the third in team history. Chicago cut the Bucs' lead in half with their next drive by marching 76 yards for a touchdown. The big play in the drive was a 16-yard reception by TE Ryan Wetnight, and rookie RB Darnell Autry finished it up with a three-yard scoring burst. Tampa Bay then gave themselves a comfortable halftime margin after CB Donnie Abraham picked off an Erik Kramer pass at the Bears' 36. Dilfer led the Bucs to paydirt from there, finding Williams in the back of the end zone with a seven-yard pass with just 11 seconds remaining on the clock. In the third quarter, Tampa Bay struck first with a 20-yard Michael Husted field goal. Though that play was routine, it was set up by another Buccaneer milestone, Dunn's 76-yard run that ranked as the longest in team annals. Tampa Bay truly salted the game away on their next drive by moving 45 yards for another touchdown, this one culminating in RB Errict Rhett's five-yard scamper up the middle. The key play in that drive was its first, a 23-yard gain on a reverse by rookie WR Reidel Anthony. Though the Buc defense stopped Chicago on its next possession, Williams muffed the ensuing punt, giving the Bears the ball at Tampa Bay's 24. Five plays later, the Bears posted the game's final score when reserve QB Rick Mirer sneaked across the goal line from one yard out. On the following two-point play, Mirer again ran it in for a successful conversion. The Bears' last two drives were thwarted by a Melvin Johnson interception and a Warren Sapp sack and fumble recovery, respectively.

WILD CARD PLAYOFF GAME
SUNDAY, DECEMBER 28
TAMPA BAY 20, DETROIT 10
HOULIHAN'S STADIUM

In the team's first playoff game in Tampa Bay since the 1979 season, the Buccaneers dominated Detroit early, rushing to a 20-0 third quarter lead before holding on for the 20-10 Wild Card victory. Lion RB Barry Sanders, who came into the game in possession of a 14-game streak of 100-yard rushing efforts and just the third 2,000-yard season in league history, was contained spectacularly by a swarming Buc defense, gaining just 65 yards and notching no carry longer than 15 yards. After two failed first-quarter drives for each team, the Bucs made the initial strike with a 40-yard field goal drive keyed by QB Trent Dilfer's scrambling, 23-yard completion to WR Karl Williams on third-and-one. Detroit's next drive stalled, too, but the Lions almost regained possession when Williams muffed the resulting punt. However, the ball bounced through several Detroit hands and out of bounds at the Tampa Bay 11, instead setting up the longest drive in Buccaneer playoff history. Fueled by a pair of first-round rookies — RB Warrick Dunn gained 29 yards on seven runs and catches and WR Reidel Anthony caught passes of 10 and 20 yards — the Bucs marched down to a third-and-seven at the Detroit nine-yard line. From there, Dilfer fired a laser over the middle to WR Horace Copeland in the back of the end zone. Detroit's next attempt to climb back into the game was quickly turned back when CB Anthony Parker intercepted a Scott Mitchell pass at the Lions' 39 and returned it to the 20. Three plays later, PK Michael Husted nailed his second three-pointer, this one from a Buccaneer playoff-record 42 yards out. Detroit moved into Buccaneer territory on its next possession but was stonewalled at the 45 when a fourth-and-one pass attempt fell incomplete under heavy pressure from LB Rufus Porter. The Bucs struck first again in the second half when, after a Detroit punt, Dilfer marched his squad 53 yards for a touchdown. FB Mike Alstott began the drive with a seven-yard run then finished it with a 31-yard pinballing burst up the middle that turned into the longest carry in Buc playoff history and Tampa Bay's final touchdown. Detroit's next drive lasted 11 plays as Sanders finally got untracked for consecutive runs of 11 and 15 yards, but another fourth-down pass attempt, this one from the Buccaneers' eight-yard line, fell incomplete under significant pressure from the defensive line. The Lions did manage a field goal before the third period ended, then tacked on a touchdown with their first drive of the final quarter, marching 82 yards behind back-up QB Frank Reich. On the ensuing kickoff, a Buccaneer penalty forced Tampa Bay to start at its own five-yard line and the team quickly found itself in a third-and-five situation from the 10. Any developing thoughts of a Detroit comeback were promptly denied, however, when Dilfer hit WR Robb Thomas on a crossing pattern that turned into a 52-yard gain.

DIVISIONAL PLAYOFF GAME
SUNDAY, JANUARY 4
GREEN BAY 21, TAMPA BAY 7
LAMBEAU FIELD

The Buccaneers trailed by just six points, 13-7, entering the final period but couldn't pull off the upset in Lambeau Field in a Divisional Playoff game as the Packers held on to a 21-7 win. Tampa Bay actually had the first scoring opportunity of the game in the opening quarter when a 51-yard drive positioned them at the Green Bay 25. However, DT Bob Kuberski blocked PK Michael Husted's 43-yard field goal attempt and the Packers took over at their own 33. That preceded a 67-yard, seven-play touchdown drive for the Pack that began with a 17-yard Brett Favre-to-TE Mark Chmura pass and ended similarly with a three-yard Favre-Chmura TD hookup. The Bucs' ensuing drive was much like the previous one, covering 50 yards and reaching the Packers' 25-yard line, thanks in large part to a 17-yard pass from QB Trent Dilfer to WR Horace Copeland on third-and-nine. This time, a potential 43-yard field goal was eschewed in favor of a fake attempt, but TE John Davis was stopped for no gain after taking a shovel pass from holder Steve Walsh. The tide seemed to turn again in the Bucs' favor two plays later when DT Warren Sapp stripped RB Dorsey Levens of the ball while making the tackle and recovered the fumble to give Tampa Bay possession at the Packers' 30. Unfortunately for the visitors, Green Bay's defense held strong, forcing another ill-fated field goal attempt, this one wasted by a botched snap. Sapp, who applied constant pressure in the Green Bay backfield all day, recording three sacks, nearly got the ball back for Tampa Bay when he got to Favre and stripped the ball again on third down, but the Packers recovered and punted away. In the half's final two minutes, Green Bay added to its lead with a pair of field goals, the second one set up by CB Tyrone Williams' interception of a Dilfer pass that went through WR Robb Thomas' hands. The Packers opened the second half with a strong drive into Buccaneer territory, but S John Lynch and CB Donnie Abraham combined to turn them away when Lynch hit Favre as he was passing and Abraham made a diving interception of the resulting errant pass. The Bucs then embarked on a 94-yard drive, the longest ever in Buccaneer playoff history, to score a touchdown and pull within six. On third-and-11 from their own five-yard line, the Bucs got out of trouble when Dilfer hit a streaking Reidel Anthony on the sideline for a 52-yard gain. Dilfer then found TE Dave Moore for a 28-yard gain over the middle, setting up FB Mike Alstott's six-yard TD run around left end. Packer RB Dorsey Levens matched that score near the beginning of the fourth quarter with a two-yard touchdown run, finishing off a drive that had been kept alive when WR Derrick Mayes' bobbled reception on third-and-18 fell into the crook of Mayes' leg for a 22-yard gain. Favre ran the ball in himself on the two-point conversion. The Bucs' next two drives ended in failed fourth downs, including a march set up by Abraham's second interception of the day.

Most Valuable Players

Two separate awards are presented each year to the team member chosen as the Bucs' Most Valuable Player. **The St. Petersburg Times'** award is determined by a vote of writers who regularly cover the team. The Tampa Sports Club, a cross section of the Tampa sports community, votes for its award. The Newspaper Enterprise Association no longer conducts a poll which was won in 1977 and 1979 by Lee Roy Selmon, in 1976 by Dave Pear and in 1978 by David Lewis.

Ed Block Courage Award

Each year, the Ed Block Courage Award is given to a player on each NFL team who best exemplifies commitment to the principles of sportsmanship and courage. The recipient symbolizes professionalism, dedication and performance as a community role model. This national award is named after the former Baltimore Colts' trainer who was a tireless worker for victims of abuse, violence, neglect and for families in crisis.

Buccaneers in Overtime

September 9, 1979 - Tampa Bay 29, at Baltimore 26: Colts win the toss. On Baltimore's third play from scrimmage, Buccaneer DE Randy Crowder sacks Colt QB Greg Landry, forcing a fumble that is recovered by DT Bill Kollar at the opposition's 14-yard line. PK Neil O'Donoghue kicks a 31-yard field goal on the next play to win the game at 1:41 of OT.

October 12, 1980 - at Tampa Bay 14, Green Bay 14: Packers win the toss. After the two teams exchange a pair of punts, Green Bay QB Lynn Dickey continues the most prolific passing day ever by a Buccaneer opponent (418 yards), guiding the Packers into Tampa Bay territory in the final minute of overtime. A 21-yard completion to WR Aundra Thompson helps Green Bay reach the Bucs' 18-yard line, but a 36-yard field goal attempt by PK Tom Birney sails wide right as time expires, resulting in the NFL's first tie since 1978.

January 2, 1983 - at Tampa Bay 26, Chicago 23: Bears win the toss. Chicago takes possession on its own 20 but gains just five yards as QB Jim McMahon is nearly sacked on successive plays. After a 35-yard punt, the Bucs take over on their own 40-yard line. RB James Wilder takes a pitch around the right end on the Bucs' first play and runs 47 yards to the Chicago 13. Two plays later, PK Bill Capece hits a 33-yard field goal at 3:14 of OT to send the Bucs into the playoffs.

September 18, 1983 - Minnesota 19, at Tampa Bay 16: Vikings win the toss. The Buccaneers force a Minnesota punt and take over on their own 47-yard line. QB Jack Thompson produces three first downs and leads the Bucs down to the Vikings' 15-yard line, but PK Bill Capece misses a 33-yard field goal. Minnesota RB Ricky Young turns a short pass into a 48-yard gain to the Buccaneer 27-yard line, setting up a 42-yard game-winning field goal by PK Benny Ricardo at 5:33 of OT.

October 9, 1983 - at Dallas 27, Tampa Bay 24: Cowboys win the toss. Dallas takes over on its own 10-yard line after the kickoff and reaches Buccaneer territory with a 46-yard pass from QB Danny White to RB Ron Springs. RB Tony Dorsett's 12-yard jaunt around end sets up a 50-yard field goal try by PK Rafael Septien. Septien's attempt falls short, but a roughing the kicker penalty sets up another try by the Cowboy kicker and he converts from 42 yards out at 4:38 of OT.

December 12, 1983 - Green Bay 12, at Tampa Bay 9: Packers win the toss. Green Bay keeps the ball on the ground in the opening drive with RBs Jessie Clark and Harlan Huckleby running for 43 of the 65 yards gained on the possession. A 20-yard sweep by Huckleby down to Tampa Bay's seven-yard line sets up a game-winning chip of 23 yards by PK Jan Stenerud at 4:07 of OT.

September 30, 1984 - at Tampa Bay 30, Green Bay 27: Packers win the toss. After the teams trade punts, Green Bay begins at its own 27-yard line but is again forced to punt after three plays. A 16-yard Steve DeBerg pass to FB Adger Armstrong brings the Bucs down to the Packers' 17-yard line and, despite consecutive holding penalties, PK Obed Ariri connects on a 48-yard field goal at 10:38 of OT.

October 14, 1984 - at Detroit 13, Tampa Bay 7: Buccaneers win the toss. Buccaneer QB Steve DeBerg leads Tampa Bay into Detroit territory with consecutive completions of 10, 19 and 14 yards, but RB James Wilder fumbles at the Lions' 41-yard line (recovered by William Gay). On Detroit's fifth play, QB Gary Danielson hits WR Leonard Thompson in stride for a 37-yard TD at 4:34 of OT.

November 24, 1985 - at Tampa Bay 19, Detroit 16: Lions win the toss. After forcing two three-and-out series by Detroit, Tampa Bay takes over at its own 38-yard line. After opening the drive with a 19-yard Steve Young to WR Gerald Carter completion, the Bucs run on nine straight plays, driving to the Detroit eight to set up a 24-yard field goal by Donald Igwebuike at 12:31 of OT.

September 28, 1986 - at Atlanta 23, Tampa Bay 20: Falcons win the toss. Neither team advances with its first possession, but the Falcons put together a 52-yard drive after taking a Buccaneer punt at their own 33-yard line, keyed by a 22-yard scamper by RB Cliff Austin on a draw play. PK Mick Luckhurst converts on a 34-yard field goal attempt to win the game at 12:35 of OT.

October 5, 1986 - at L.A. Rams 26, Tampa Bay 20: Rams win the toss. The Bucs lose their second overtime game in as many weeks on L.A.'s first possession as RB Eric Dickerson breaks a 42-yard touchdown run up the middle at 2:16 of OT.

December 11, 1988 - at New England 10, Tampa Bay 7: Buccaneers win the toss but elect to kick. Patriot QB Tony Eason opens New England's first possession with a 21-yard completion to WR Irving Fryar and follows three plays later with a 26-yard hookup with Fryar. Two short runs by FB John Stephens set up a 27-yard field goal by PK Jason Staurovsky at 3:08 of OT.

September 30, 1990 - Tampa Bay 23, at Minnesota 20: Vikings win the toss. Minnesota drives to the Buccaneer 31, but former Buc PK Donald Igwebuike's 48-yard field goal try is wide left. After a Tampa Bay punt, CB Wayne Haddix picks off QB Rich Gannon's pass on the Vikings' next play and returns it to the Minnesota 26-yard line. RB Reggie Cobb runs up the middle for six yards to position the Bucs for a successful 36-yard field goal by PK Steve Christie at 9:11 of OT.

November 27, 1994 - at Tampa Bay 20, at Minnesota 17: Buccaneers win the toss. Tampa Bay's initial drive opens with a 16-yard reception by WR Courtney Hawkins but stalls at the Vikings' 49-yard line. P Dan Stryzinski's punt is fielded at Minnesota's 18, but is nullified by a penalty. On the re-kick, Viking WR Eric Guliford muffs the punt at Minnesota's four-yard line where it is recovered by long-snapper Ed Brady. PK Michael Husted wins the game with a 22-yard field goal on the next play which came at 2:08 of OT.

October 15, 1995 - at Tampa Bay 20, Minnesota 17: Buccaneers win the toss. Minnesota forces a Tampa Bay punt and takes over on its own 48. QB Warren Moon drives the Vikings to the Buccaneer 35-yard line, but PK Fuad Reveiz misses a 53-yard field goal attempt. The Bucs' ensuing possession nearly ends on a fumble by TE Jackie Harris, but WR Lawrence Dawsey strips Viking S Orlando Thomas during the return and G Ian Beckles falls on the loose ball at the Viking 45. A 15-yard Trent Dilfer-to-Alvin Harper pass then positions the Bucs for PK Michael Husted's game-winning 51-yard field goal at 8:37 of OT.

December 10, 1995 - at Tampa Bay 13, Green Bay 10: Buccaneers win the toss. Trent Dilfer passes to TE Jackie Harris for nine yards and WR Horace Copeland for 23 yards, plus an eight-yard scamper by RB Errict Rhett moves Tampa Bay into Packer territory. Rhett is stopped for a loss of one on a third-and-one attempt from Green Bay's 28-yard line, but PK Michael Husted kicks a 47-yard game-winning field goal on the next play at 11:14 of OT.

November 10, 1996 - at Tampa Bay 20, Oakland 17: Buccaneers win the toss. After a Tampa Bay punt, the Buc defense forces a Raider three-and-out and the home team gets the ball back at its own 39. Two big-gainers by rookie FB Mike Alstott, a 20-yard reception of a QB Trent Dilfer pass and a 10-yard run up the middle, position Tampa Bay at the Oakland five, from where PK Michael Husted kicks the game-winner, a 23-yarder with 3:11 remaining.

Bucs in the Community

In accordance with their reputation of being involved in the community, the Tampa Bay Buccaneers players, coaches and team owner Malcolm Glazer assisted an unprecedented number of Tampa Bay area non-profit organizations in 1997. Members from all areas of the Buccaneer organization donated significant amounts of time and funding to established charities, and several created their own philanthropic programs. The following is just a sample of the many programs Buccaneers supported in 1997:

- Glazer donated up to $3 million over a 30-year period to the Tampa Bay Sports Commission, a contribution that will promote the continued development of amateur sports in Hillsborough and Pinellas counties. Glazer made a preliminary donation of $75,000 in 1997, and will donate an additional $7,500 for every Buccaneer home game victory over the next 30 years.

- RB Warrick Dunn established the "Homes for the Holidays" program in November of 1997, in which he assisted four single mothers in becoming first-time homeowners. After making the down payments on four homes, Dunn filled each household with such necessities as furniture, washer and dryer, kitchen appliances and lawn mowers. He also stocked each kitchen with food, all in time for the Thanksgiving holiday. In 1998, Dunn plans to assist eight more families in fulfilling their dreams of home ownership.

- Since 1993, the Buccaneers have served as "Big Brothers" through the Big Brothers / Big Sisters of Tampa Bay organization. Five players and one coach currently have Little Brothers. PK Michael Husted met his Little Brother in 1995, while G Jorge Diaz, WR Karl Williams, T/G Steve Ingram and LB Shelton Quarles adopted their Little Brothers in 1997. Additionally, Offensive Assistant Coach Ricky Thomas recently met his Little Brother.

- LB Hardy Nickerson manages the Hardy Nickerson Foundation, which benefits at-risk Bay area youth and targets those in need of strong male role models and mentors. The Foundation has donated over 12 computers to local Boys & Girls Clubs through the "Hardy's Homework Shops" program, and is currently creating a mobile computer center to benefit inner city youth. In addition, the Foundation has also made

contributions to benefit Cystic Fibrosis, provided funding for 11 children to attend a local private school, and hosted 20 youth at each Buccaneer home game.

For the second year, the Buccaneers continued the "Buccaneers' Super Challenge" in Hillsborough and Pinellas County schools. The program was designed by Athletes in Action to challenge middle school students to improve their lives in five areas: academic excellence, drug and alcohol abstinence, positive attitude, non-violence and personal responsibility. Bucs players who participated in the challenge were PK Michael Husted, LB Shelton Quarles, S Tony Bouie, T Paul Gruber, S Charles Mincy, TE Dave Moore, T Jason Odom and WR Horace Copeland.

During last year's holiday season, G Jorge Diaz adopted Wimama Elementary School, a predominately Hispanic school, and took 25 students on a shopping trip to buy Christmas presents. In addition to the gifts, each child was sent home with a new pair of shoes. Diaz will be expanding his outreach into Tampa's Latin community in 1998.

DT Warren Sapp donated over 100 pairs of shoes to students at Dover Elementary School through his "Sapp for Shoes" program. Sapp will be expanding "Sapp for Shoes" in 1998 to benefit more Hillsborough county youth.

QB Trent Dilfer makes financial contributions and time commitments to the American Red Cross, American Cancer Society, Underprivileged Children's Fund, United Way, Fellowship of Christian Athletes, Metropolitan Ministries, Joshua House, Habitat for Humanity, the Spring of Tampa Bay, Police Athletic League, Hillsborough and Pinellas law enforcement agencies and several California homeless shelters.

Through his relationship with Camp Good Days and Special Times, T Jerry Wunsch funded a trip for 20 pediatric cancer patients to travel to New York to see snow for the first time.

For the third year, LB Derrick Brooks will work with the youth at the Audley Evans Center as part of his "Brooks Bunch" program. Kids in Brooks Bunch receive tickets to all Buccaneer home games and have a chance to travel to various locations on education field trips. After studying the history of Atlanta during the 1997-98 school year, 12 students spent three days with Brooks in Atlanta, where they visited all the places they learned about in school. Brooks funded the entire trip, including airfare, hotel rooms, meals and ground transportation.

FB Mike Alstott hosted the 2nd Annual Mike Alstott Youth Football Camp. The four-day camp involved over 350 Bay area children, including 75 underprivileged kids who were able to participate through camp scholarships.

Several Buccaneer players and coaches have established scholarships that benefit either Bay area students or kids from that player's or coach's high school or college. Those Bucs include DE Chidi Ahanotu, LB Derrick Brooks, QB Trent Dilfer, T Paul Gruber, PK Michael Husted, CB Tyrone Legette, C Tony Mayberry, LB Hardy Nickerson and Defensive Backs/Assistant Head Coach Herman Edwards.

PK Michael Husted begins the sixth year of his "Kicks for Kids" program in which he donates money to The Children's Home after every successful field goal. In 1997, P Tommy Barnhardt participated in Kicks for Kids by making contributions to the Shriners Hospital for every punt he placed inside the 20-yard line. In addition to Kicks for Kids, Husted is involved with Camp Good Days and Special Times, the Pediatric Cancer Foundation, Big Brothers/Big Sisters, and frequently visits local schools to mentor students.

T Paul Gruber hosted his fourth annual Police Athletic League Youth Football Camp with the help of QB Trent Dilfer and several other Buccaneer players. In addition to sponsoring the youth football clinic, Paul and his wife, Brenda, have worked closely with Tampa's homeless population through their commitment to Metropolitan Ministries.

Defensive Backs/Assistant Head Coach Herman Edwards is in his 11th year hosting the Herm Edwards Youth Football Clinic. He is the only NFL coach to host a week-long youth football camp. The camp, which is held in California, is free of charge, typically attracts over 300 children, and features an end-of-camp banquet and an auction that raises money for academic scholarships.

The Ahanotu Foundation, established by DE Chidi Ahanotu, has assisted 28 students since its inception in late 1996. Providing either tuition or living assistance, the Foundation has made awards ranging from $500 to $5,000. In partnership with Transworld Diversified Services, Ahanotu has also developed Transworld Inner-City Technical Achievement Centers (TICTAC) to assist children in learning how to use and apply computer technology.

Head Coach Tony Dungy, CB Donnie Abraham, FB Mike Alstott, S Tony Bouie, LB Derrick Brooks, S John Lynch, LB Hardy Nickerson and the entire Buccaneers secondary hosted youth groups from local charities and schools at each Buccaneer home game in 1997.

DT Brad Culpepper hosts an annual golf tournament each off-season that benefits The Children's Miracle Network at Shands Hospital in Gainesville. Brad also donated funds to Head First, a national non-profit organization promoting helmet safety to youth, for every sack he made in 1997.

In an effort to assist their favorite charities through funding and creative programming, RB Warrick Dunn, FB Mike Alstott, LB Derrick Brooks and T Jerry Wunsch established funds in their names through the Community Foundation of Tampa Bay during the 1998 off-season.

G Frank Middleton adopted the dropout prevention classrooms at Jefferson High School by making frequent visits to the school, where he encouraged the students to improve their grades and start setting goals to attend college. At the end of the 1997-98 school year, over 30 seniors were able to improve their grades in order to graduate on time. Middleton rewarded them with dinner at Landry's Seafood House. He also spent most of his Monday, Tuesday and Thursday evenings at the Skyway little league park giving lessons in football and life to the Tampa Bay Youth Football League's Jr. Buccaneers.

S Charles Mincy and CB Tyrone Legette provided over 300 needy families with baskets of food for Thanksgiving and Christmas through the Project "H" program. The baskets included a turkey, fresh fruit and vegetables, rice, milk and eggs. The players also gave the children new books and Reebok shoes for Christmas.

TE Dave Moore and his wife, Ann Marie, funded an activity cart for the children at All Children's Hospital. Youth staying at the hospital get to select a craft activity each day to help fill the long hours of the day.

THE SWASHBUCLERS

The Tampa Bay Buccaneers portray a winning image both on the football field and in the community, and the team's cheerleaders exemplify the same captivating attitude. The SwashBuclers bring a fresh, energetic style of entertainment to the Buccaneers' sidelines every Sunday and share a community-minded spirit with Tampa Bay area residents throughout the year.

The 44-person troupe of SwashBuclers, that includes a 10-member band of pirates who carry the signature Buccaneer attack flags, represent a variety of professional fields. The team is comprised of athletes, businesswomen, mothers and full-time college students. While not working at their jobs or performing at a game, SwashBuclers volunteer a considerable amount of time to various community organizations. The group makes routine appearances at Tampa Bay area hospitals, nursing homes, and organizations like the Boys and Girls Clubs of Tampa, American Cancer Society and United Way.

While many squad members are returning for their second and third seasons with the team, several new faces joined the group of ambitious women this year, as well. Cheerleading Coordinator Carole Wood joined the Buccaneers this past off-season after serving as captain and guest choreographer for the Atlanta Falcons Cheerleaders since 1991. Wood will use her 16 years of cheerleading and dance choreography experience to map out all of the squad's pre-game and sideline dance routines, while also managing its day-to-day operations and community and corporate appearances.

Under Wood's direction, the SwashBuclers plan to create the most dynamic, exciting game day atmosphere Buccaneer fans have ever experienced.

Deckerhoff is a five-time recipient of the Florida Sportscaster of the Year award.

Logan played nose tackle during a successful career with the Buccaneers (1979-86) and Packers (1987), and ended his playing days with a streak of 103 consecutive starts. Ranked as one of the NFC's top nose tackles, Logan was an All-Pro and All-NFC selection in 1984. Since ending his career as an active player, he has worked as a Tampa network affiliate sportscaster and continues to work for CBS-TV, Jefferson-Pilot, the Sunshine Network and Tampa's 24-hour news station Bay News 9.

Buccaneer Pre-Season TV

Doug Graber

Randy Cross

Dave Sims

John Peterson

For the ninth consecutive year, WTOG-TV, UPN 44, will serve as the official pre-season television station for the Tampa Bay Buccaneers, providing live coverage of three Bucs pre-season games. The station will also air a live pre-game show, "Countdown to Kickoff," from each pre-season game location starting 90 minutes before kickoff.

WTOG's pre-season package will feature live telecasts of the Buccaneers' bouts with the Kansas City Chiefs (August 8 at 8:00 p.m., at Norman, Oklahoma), Oakland Raiders (August 24 at 9:00 p.m.) and New Orleans Saints (August 28 at 7:30 p.m.). The Buccaneers' other two pre-season bouts, against the Pittsburgh Steelers in the Hall of Fame Game in Canton, Ohio (August 1, 7:00 p.m.), and at the Miami Dolphins (August 13, 8:20 p.m.), will be broadcast nationally on ABC and ESPN, respectively.

Doug Graber will serve as color analyst for the Chiefs game. The former Buccaneers defensive coordinator (1987-89) also currently serves as the color analyst for the University of South Florida Bulls football program and spent 1997 working with USF, ESPN-Regional and Sports Channel. Before he entered the field of broadcasting, Graber worked since 1966 as a football coach at the high school, college and professional level. His coaching experience includes stints with Rutgers University (head coach, 1990-95), Kansas City Chiefs (secondary coach, 1983-86), and the Buccaneers.

Randy Cross will provide color analysis for the Bucs' games at Oakland and New Orleans. After spending five seasons as an NFL analyst for CBS and four years in a similar capacity with NBC, Cross returned to CBS where he currently serves as an NFL analyst. Cross' TV background also includes a stint as the Buccaneers' pre-season color analyst with WTOG (1996) and duties as an NBC color man for its telecasts of Notre Dame football.

Joining Graber and Cross in the broadcast booth will be play-by-play announcer Dave Sims. The only returning member of WTOG's broadcast team, Sims is an Emmy award-winning announcer who has called college basketball action for CBS Sports during NCAA tournaments and regular-season action with ESPN and the Big East/Creative Sports Network. Sims' other credits include Major League Baseball play-by-play announcing for ESPN and track and field coverage for NBC Sports at the 1988 Seoul Olympics and 1990 Goodwill games. Sims is currently entering his fourth year with WCBS-TV in New York as a sports correspondent, weekend anchor and host of a weekly half-hour sports show.

WTOG-TV Sports Director John Peterson will provide sideline reporting during the games and will host "Countdown to Kickoff." Before coming to UPN 44, Peterson was the sports director at WXLV-TV (ABC) in Greensboro, North Carolina, where he covered two Final Four NCAA Playoffs, ACC Basketball and several Winston Cup NASCAR races, including the Daytona 500. From 1987-95, Peterson served as the sports director for WTXL-TV (ABC) in Tallahassee, Florida, where he worked for the Seminole Radio Network broadcasting Florida State University football and basketball games. His accolades include "Best Sportscast" from the Florida Sportscasters Association and two Associated Press Awards in the "Best Feature" category.

LEE ROY SELMON #63

Lee Roy Selmon became the first Buccaneer player ever inducted into the Pro Football Hall of Fame on July 29, 1995. The Buccaneers' first draft choice in 1976, Selmon proved to be the best player to date in team history. Drafted out of Oklahoma where he won both the Outland and Lombardi trophies during his senior season, Selmon went on to become the cornerstone of the Buccaneer franchise for nearly a decade.

A member of eight All-America teams while with the Sooners, Selmon was an even greater professional. The Buccaneers' all-time career sack leader (78.5), Selmon anchored a ferocious defense which led the team to its first-ever NFC Central Division Championship in 1979.

Selmon managed to establish numerous team records despite having his career prematurely shortened due to a herniated disk suffered at the end of the 1984 season. His lengthy list of Buccaneer records include: career starts (118), career sacks (78.5), sacks in a season (13), career fumbles caused (28.5) and Pro Bowl selections (six). In addition, he was named NFL Defensive Player of the Year in 1979 and NFC Defensive Lineman of the Year by the NFL Players Association four times (1979-80, 1982-83). His number 63 became the first and only jersey retired by the Buccaneers on September 7, 1986.

Selmon's on-the-field contributions were equalled only by his generosity off the field. He was a perennial contender for the NFL Man of the Year and the Byron "Whizzer" White Award for humanitarian service. Since his retirement, Selmon has remained highly-visible in community affairs. In addition to occupying a seat on the board of the Tampa Sports Authority, Selmon has taken on the responsibility of building the University of South Florida's new football program. As Associate Athletic Director at USF, since August of 1994, Selmon has been entrusted with the primary task of procuring funds for the University's fledgling football program.

Selmon was born and raised in Eufaula, Okla. He has five brothers and three sisters including Dewey who played for the Bucs from 1976-80 and Lucious who is currently the outside linebackers coach for the Jacksonville Jaguars. Lee Roy and his wife, Claybra, have three children, Brandy (20), Lee Roy, Jr. (17) and Christopher (15).

RAYMOND JAMES STADIUM

September 20, 1998 signals a new era in Tampa Bay Buccaneer football. When the Buccaneers take the field in Raymond James Stadium for the first time, they will have relocated only a few hundred yards from their original home, but they will have abruptly moved into the future of the National Football League. The culmination of three years of intense research, development and construction, Raymond James Stadium is a combination of the finest elements of modern stadium design and its own groundbreaking innovations. Already being referred to as the crown jewel of the NFL by league insiders, the stadium's features are centered around one concept: enhancing the fan's experience at a Tampa Bay Buccaneer game. Below are some of the exciting new features that Buccaneer fans will encounter at Raymond James Stadium. For information on purchasing tickets for the Tampa Bay's inaugural season in their gleaming new home, please see the reverse side or call the Buccaneers' ticket office at 1-800-282-0683.

General Seating. After 22 years of watching Buccaneer football from bench seating, Tampa Bay fans can now comfortably settle into individual seats, measuring 19-21" wide and with 32-33" from one seat back to the next. Overall, Raymond James Stadium holds over 65,000 fans, 52,000 of which will be in general seating. There are up to 650 wheelchair-accessible seats located in all areas, not just the end zone. Seats in all sections also feature cupholders.

Club Seats. Raymond James Stadium features up to 12,000 club seats, a modern feature that allows fans to experience Buccaneer games and entertain guests in maximum comfort. Club seats are extra-wide and padded and feature waiter service and prime sideline locations. The seats are accessible from a luxurious, air-conditioned club level that houses restaurants, sports bars, video walls, lounge seating and additional views of the field.

Luxury Suites. A total of 159 suites on two floors at mid-level along both sidelines offer absolutely the most luxurious setting to watch a Buccaneer game. Each suite has retractable glass windows, private bar and restroom and five televisions that can carry other NFL action. The suites are accessible from private elevators.

Concessions. Raymond James Stadium has over 600 points of sale for food, beverages and merchandise, a ratio of one point for every 103 seats. Houlihan's Stadium had 393 points of sale, or one for every 186 seats. A wide variety of concessions will be available, from hot dogs and sodas to gourmet pizzas and cappuccino.

Restrooms/Services. Raymond James Stadium is equipped with 44 restroom locations and a total of 841 fixtures. That ratio of one fixture for every 76 fans is an immense improvement in comfort over the ratio of one for every 129 fans that Houlihan's Stadium offered. The ratio for women fans is one fixture for every 66 people, improved from 1 for every 131 in Houlihan's. There are also five first aid stations, with at least one on each level.

End Zone Terraces. Each end zone in Raymond James Stadium features an area unique to NFL stadiums. Above approximately 30 rows of seating, the end zones turn into a wide, flat congregating area with an outstanding view of the field. With a full assortment of concession stands, Buccaneer fans will mingle in this sunny area before, during and after the game and surely be the envy of all Northern NFL fans watching the contest on television.

BucVision. Raymond James Stadium boasts the most advanced videoboard technology in the NFL. The two massive scoreboards, one in each end zone, can display enormous singular replays or up to six different images simultaneously. Replays, statistics and messages can now be clearly seen from any angle in the stadium. The videoboards also support high-definition television (HDTV) technology, further improving the clarity of images for Buccaneer fans. With a high-tech control center and over 30 game-day staffers, the scoreboards will keep Buccaneer fans updated on NFL activity better than any other venue in the league. There are also four matrix message boards on the upper level facing the two sidelines that display NFL scores and game statistics.

Media Facilities. The Raymond James Stadium press box seats up to 225 members of the media in a spacious, comfortable box on the west side upper suite level. A dining area featuring a multiple-screen video wall has been added, and the box is accessible from an elevator dedicated specifically to the media. The media entrance is located at Dock D on the southwest corner of the stadium.

Escalators. An added comfort feature in Raymond James Stadium is a total of 20 escalators. With a bank of four escalators located at each corner ramp and an additional four in the club lounge, Buccaneer fans will find it easier and quicker to navigate the stadium than ever before.
